MagnaDrizzle Multi-Function
Softly wrap yourself in serenity

MagnaDrizzle

A precision engineered showerhead that gives you the finest misty rain experience ever, and more. The new MagnaDrizzle multi-function showerhead offers three distinct flows - Drizzle, Dense Drizzle and H_2Okinetic - delivering a versatile showering experience.

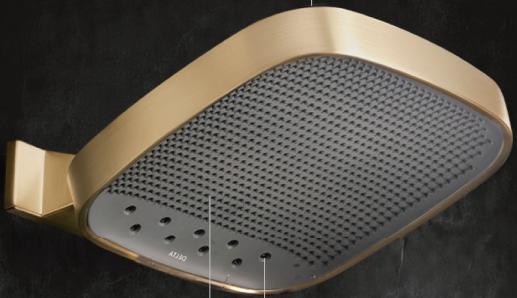

MagnaDrizzle

Multi-Function Showerhead

UNIQUE ROUNDED SQUARE SHAPE

Gently rounded contours seamlessly blend into a variety of design environments.

FINEST MISTY RAIN EXPERIENCE EVER

A precision engineered showerhead with high nozzle density in 371 mm x 371 mm (15" x 15") to bring you the perfect drizzle.

Pore diameter finer than most (which is carefully optimized to prevent clogging) with Touch-Clean technology.

H_2OKINETIC TECHNOLOGY

Delta's H_2Okinetic Technology sculpts water into a unique wave pattern that delivers more warmth, intensity, and coverage — while using less water than a standard shower.

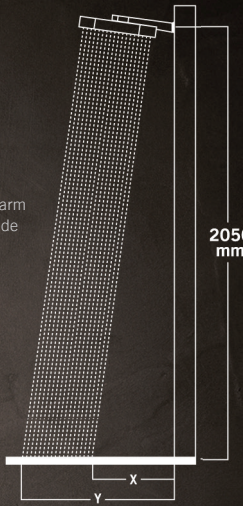

The highly engineered chambers (with no moving parts) inside the showerhead sculpt water into a unique wave pattern to save water and handles tough Indian water conditions better.

Best in segment projected spray reach

Engineered to project water farther than conventional showerheads, the MagnaDrizzle multi-function showerhead delivers wider, more immersive coverage. Paired with an optimally designed wall-mount shower arm with 8 to 24 degrees vertical angle adjustment to provide best in segment projected spray reach.

Spray Type	X (mm)	Y (mm)
Drizzle	500	820
Dense Drizzle	900	1100
H_2Okinetic	800	1100

Available Finishes:

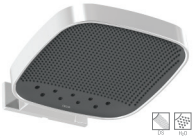

Champagne Bronze (CZ)
Warm, muted brushed gold texture for a timeless appearance.

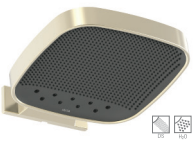

Polished Nickel (PN)
High-gloss, subtle gold tone veiled in hues of modernity.

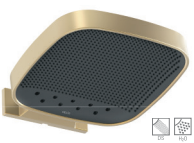

Chrome (CH)
Cool, high-gloss yet maintains an elegant, contemporary composure.
