
DELTA
see what Delta can do™

We exist to transform people’s daily life with water.

The journey of a global brand with focus on innovation.

50s

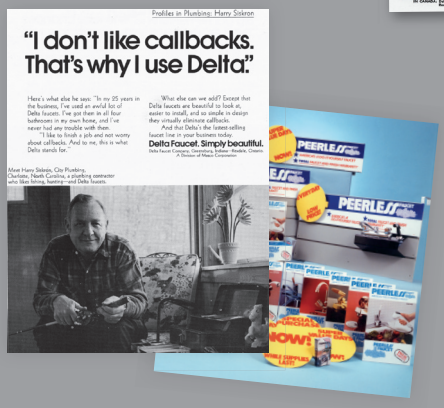

Alex Manoogian developed the first successful single- handle washerless ball valve faucet.

60s

Expanded single-handle line to bath and showers.

70s

First to advertise to plumbers and consumers.

80s

The first pull-out faucet introduced.

90s

Finishes expanded to include Brilliance® Anti-Tarnish Finish.

Glass Rinser powers off hard-to-reach residue in seconds.

20s

ShieldSpray® Technology powers off the mess without making a mess.

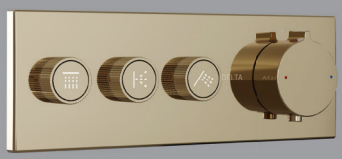

Lumicoat™ Finishes resist mineral buildup and hard water stains.

00s

H_2Okinetic® Technology changes the way water moves—and feels.

MagnaChoice® Bud - High performance push button showering system.

ProClean™ Handshower - Powers off stubborn soap scum.

Clarifi™ Shower Filter reduces chlorine, heavy metals, and odors, improving water quality for healthier skin and hair.

10s

In2ition® Showers deliver water where you need it the most.

$Touch_2O$® Technology is the first to allow you to touch a faucet on and off.

MagnaDrizzle - A precision engineered showerhead that gives you the finest misty rain experience ever.

Choice Dway® - Discover the essence of modern showering with the new premium push button shower mixer.

WaterWise - The Delta Faucet Approach to a Sustainable Future

Use Less, Enjoy More

Even as Delta Faucet Company has always stood for robustly engineered, solidly built, hardworking products and services that transform human lives with water in a meaningful, authentic way; Delta Faucet has also always believed in saying it like it is - with precision and substance. And our approach to saving a precious resource like water, incorporates not only technologies, materials and design but common sense too, to make the best use of available water.

We call it WaterWise.

Let adoption of Delta Faucet products be your contribution towards alleviating the acute water shortage our planet is facing before it's too late. Here's exactly how.

Showering
Delta Faucet showerheads, equipped with proprietary technologies, help save precious water, giving you the feeling of more water without using more water.

15-45% WATERWISE

Kitchen Faucets
Kitchen is a heavy water consumption area and Delta kitchen faucets let you save water in very special ways with convenience and ease.

18-43% WATERWISE

Bath Faucets
Delta Faucet offers a wide range of bath faucets, across designs and finishes, which give superlative experience and consume much less water than other comparable products.

46-63% WATERWISE

Body Sprays
HydraChoice® Body Sprays with 50° of adjustability in any direction suit everyone - from the tallest to the shortest. This unique flexibility ensures you need only 3 body sprays.

60-68% WATERWISE

Water Efficient Technologies

Delta Faucet has been at the forefront of innovation and has consistently developed special technologies that create unique water experiences and bring lasting change to homes. Some of these are:

H_2Okinetic® | Touch$_2$O® | Diamond Seal® | ShieldSpray®

Experience innovation in your daily life.

Delta Faucet was founded on innovation. And we've been re-founded on innovation each day since. Our products for the bathroom and kitchen explore new avenues in design and technology, helping you clean, refresh and relax yourself exactly the way you like.

H_2OKINETIC® TECHNOLOGY

The feeling of more water without using more water.

HYDRACHOICE™ BODY SPRAYS

Make your shower your own.

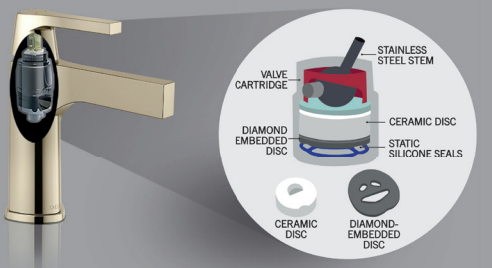

IN2ITION® SHOWERHEADS

Water where you need it most.

WATERWISE
The Delta Faucet approach to a sustainable future.

DIAMOND SEAL® TECHNOLOGY
Reliability that lasts a lifetime.

LUMICOAT™ FINISHES
Resist water spots, stay clean longer.

SHIELDSPRAY® TECHNOLOGY
Power off the mess without making a mess.

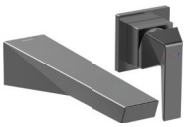

TOUCH$_2$O® WITH TOUCHLESS™ TECHNOLOGY
Touch it on, touch it off
or go completely hands free.

GLASS RINSER
The power of convenience.
