ABOUT US

ADVAITH MENON FOUNDER OF **ADIZO EXPORTS**

At **ADIZO EXPORTS**, we believe international trade is about creating value, building enduring partnerships and contributing meaningfully to economic growth.

Based in **Mumbai, India**, we are a merchant trading and export house serving global and domestic markets as a **principal seller and supplier**. We source quality products from carefully selected Indian manufacturers and supply importers, distributors, stockists and businesses seeking dependable sourcing from India.

Our approach is built on **quality, transparency, reliability and responsible trade**, supported by professionally managed commercial transactions, documentation and logistics coordination. We offer **bulk unbranded supplies and customised private-label solutions** to meet diverse customer requirements.

Beyond commerce, we aim to strengthen Indian manufacturing globally and build **trusted, long-term trade partnerships from India to the world**.

"To build a globally trusted Indian export enterprise that contributes to national economic growth, expands opportunities for Indian businesses and inspires the next generation of entrepreneurs to participate in global trade."

"To connect Indian products and capabilities with global markets through transparent, responsible and sustainable merchant exports, creating lasting value for our customers, suppliers and the communities we serve."

SUSTAINABLE TABLEWARE **SOLUTIONS**

Our Bagasse Disposable Tableware range offers a **sustainable, durable and practical alternative to conventional single-use disposables**. Made from renewable sugarcane bagasse fibre, the products are designed for reliable performance across takeaway, catering, HORECA and food-service applications.

Key Highlights:

- Renewable Sugarcane Fibre
- Strong & Food-Service Ready
- Heat, Grease & Moisture Resistant
- Microwave & Freezer Compatible
- White & Natural Options
- Food-Contact & PFAS-Free Options
- Versatile Sizes & Formats
- Bulk & Private-Label Supply

At **ADIZO EXPORTS**, we focus on supplying carefully sourced products that balance **quality, functionality, compliance and competitive landed cost** for international buyers.
