Conference Venue: SKIMS Auditorium Hall, Soura, Srinagar

Message

It is indeed a moment of great pleasure that the Department of Surgical Gastroenterology, SKIMS is organizing two days' Mid-Term Conference on "Cancer & Non-Cancer Diseases of Pancreas" on 18th & 19th March, 2023. Acute & Chronic Pancreatic Diseases are common and Pancreatic Cancer is the 4th leading cause of Cancer deaths in the World. With advances in the imaging, diagnostic & management strategies in pancreatic diseases including Pancreatic Cancer, sensitization of all stakeholders involved becomes imperative and as such the planned event is an appropriate platform for students, scholars, young scientists, doctors and surgeons to brainstorm and get weaned into the current management of pancreatic disorders. I have been informed that luminaries in the field all across the country would be available in the conference to interact with and learn from.

This academic program will boost the potential and widen the spectrum of opportunities towards academic excellence and will promote scientific culture to achieve the cherished goals in pursuit of knowledge and practice.

I extend my warm welcome to all eminent National and State level faculties joining this event. I also wish the organizing team great success and a fruitful academic event.

Prof. Parvaiz A. Koul
Chief Patron
Director, SKIMS
& EOSG

It is indeed a moment of great pleasure to know that the the Department of Surgical Gastroenterology, SKIMS is coming up with a Mid-Term Conference on "Cancer & Non-Cancer Diseases of Pancreas" to be organized in collaboration with International Hepato-Pancreatico-Biliary Association (IHPBA)- Indian Section on 18th & 19th March, 2023 at Sher-i-Kashmir Institute of Medical Sciences, Srinagar.

The said event offers a platform for youngsters in determining their future vis-à-vis growth in a particular discipline besides providing opportunities to work on a higher platform and upgrade their knowledge for research based clinical practice, I am sure the results coming out of such events will benefit the patient immensely.

I congratulate Prof. Sadaf Ali in particular and whole of Department of Surgical Gastroenterology for conducting such event and urge all faculty members and students to participate overwhelmingly.

I once again extend my heartfelt greetings to the organizing term and wish them a great success.

Prof. Bashir A. Laway
Patron
Dean Medical Faculty
SKIMS

I am glad to announce the two days' Mid-Term Conference on "Cancer & Non-Cancer Diseases of Pancreas" to be held on 18th & 19th March, 2023 at SKIMS, Srinagar. This meeting is being organized by the Department of Surgical Gastroenterology, Sher-i-Kashmir Institute of Medical Sciences (A Deemed University) under the auspices of National Body IHPBA- International Hepatico Pancreatico Biliary Association (India). Surgical Gastroenterology at SKIMS has been at forefront to cater all complex diseases related to Pancreas and these kinds of events further add to scientific care and accurate management of ailing patients.

The faculty delivering in the Conference will be renowned luminaries in this field. This academic activity shall hopefully be an extra-ordinary feast amidst beautiful valley of Kashmir, the paradise on earth.

Target audiences of Surgical Gastroenterology in particular and Surgery in general would definitely benefit from this kind of academic activity.
