

## Junior Fun Activities

3 to 5 Years

### Materials Required

- 1 Drawing of a shape on a sheet of paper
- 2 A bowl with a collection of some objects

### Objective

This is a fine motor activity.

Helps a child to sit down, focus and concentrate on the activity at hand thus increasing his/her attention span.

Reinforces the shape or letter on which the tracing is being done.

# Let's play

## What to do?

- 1 Choose any shape that the child wants.

- 2 Draw that shape on a sheet of paper with a marker.

- 3

Starting from any point, show him how to place any small object (rajma, chana, any cereal, big buttons, small pebbles etc.) till the shape is complete.

- 4

If the object is not edible, kindly supervise the activity till the child completes it.
