

# Share anything with anyone but not germs

## Rebus story with jumbled words

We all have to follow some good \_\_\_\_\_ (shtiab) to stay

\_\_\_\_\_ (ancel) and \_\_\_\_\_ (yhtlaeh) always. wash your \_\_\_\_\_ daily

Remember to scrub your \_\_\_\_\_ properly for nearly \_\_\_\_\_ (cdnesso)

every time. Only then all the \_\_\_\_\_ present on our \_\_\_\_\_

will get destroyed. If you have a cold, please cover your \_\_\_\_\_ when

you (neesz) with a \_\_\_\_\_ . If you do not have a

\_\_\_\_\_ or a \_\_\_\_\_ , then make sure you

\_\_\_\_\_ or \_\_\_\_\_ into the \_\_\_\_\_ of your \_\_\_\_\_

or \_\_\_\_\_ .

This way you will not spread any \_\_\_\_\_ to others.

It is important to \_\_\_\_\_ with \_\_\_\_\_ and wipe with

\_\_\_\_\_ before you \_\_\_\_\_ or when they are \_\_\_\_\_ .
