### Materials Required

- 1 Three baskets
- 2 A collection of summer and winter clothes

### Objectives

- 1 LANGUAGE:
  - To develop phonemic awareness.
  - Building up of vocabulary.
- 2 MATH:
  - To practice counting.
- 3 PHYSICAL DEVELOPMENT:
  - To enhance fine motor skills.
- 4 M&M:
  - To sing to rhythm.

## What to do?

- Keep a basket ready with mix of summer and winter clothes.
- Keep two more baskets ready to keep the sorted clothes at the end of the activity.
- Take out one cloth at a time, identify it and put it in the correct basket.
- While encouraging the child to name the dress, stress on the beginning sound of the garment.
- Encourage the child to add the number of garments before sorting and after sorting. This will help the child to understand the concept of addition and subtraction.
- After the sorting activity, child may be encouraged to fold the garments and keep in a pile. This will mark the end of the activity.
