# Let's play

## What to do?

- Encourage the child to make the popsicles, cones and cups and set up their ice cream shop.(Art)
- Make a list of ice cream flavours with the child's input. While doing this, encourage him/her to identify the beginning sound of the ice cream flavours. (Language)
- Write the cost of the different types of ice creams on sale. (in 10s, 20s, 30s)  
Cup ice cream, Cones, Scoops etc.
- Cut out some paper to make fake money of rupees 10, 20, 30.
- Take turns with your child to buy and sell using fake money.
- While dealing with the cash, the child is practising problem solving skills.
- Allow the child to do simple tasks on his/her own thus developing self-help skills.
- The ice-cream seller can sing the jingle along to attract the children to buy his ice creams.
