

## Junior Fun Activities

### 3 to 5 Years

# LETTER SOUND FUN

### Materials Required

- 1 Play dough
- 2 Some paper chits

### Objective

- To develop gross motor skills.
- To apply knowledge of phonics (sound letter association).
- To have fun.

# Let's play

## What to do?

- 1** Parent to make small chits with one letter on each chit. You can make as many as you wish.
- 2** Child to pick up one chit, open and say the sound of the letter.
- 3** Child will then make the letter (capital and small) using play dough and place it on the tray.
- 4** Next, ask the child to take a tour of the house and look for 3 or more objects which begin with that sound.
- 5** Parents to help and support only if the child has difficulty in recognizing the sound or looking for related objects.
