

## Senior Fun Activities

5 to 10 Years

# SEASONS BINGO

## Materials Required

- 1 Printouts of page 3 or white papers to draw the bingo cards
- 2 Scissors
- 3 40 Small cards made of paper or old visiting cards
- 4 pen/pencil/marker and sketch pens

## Objectives

- 1 LANGUAGE:
  - To build-up theme related vocabulary.

-----
- 2 MATH:
  - To get familiar with the four main mathematical operations of addition, subtraction, multiplication & division by visually looking at the grid and while adding and cancelling words written in it.

-----
- 3 PHYSICAL DEVELOPMENT:
  - To enhance fine motor skills.

# Let's play

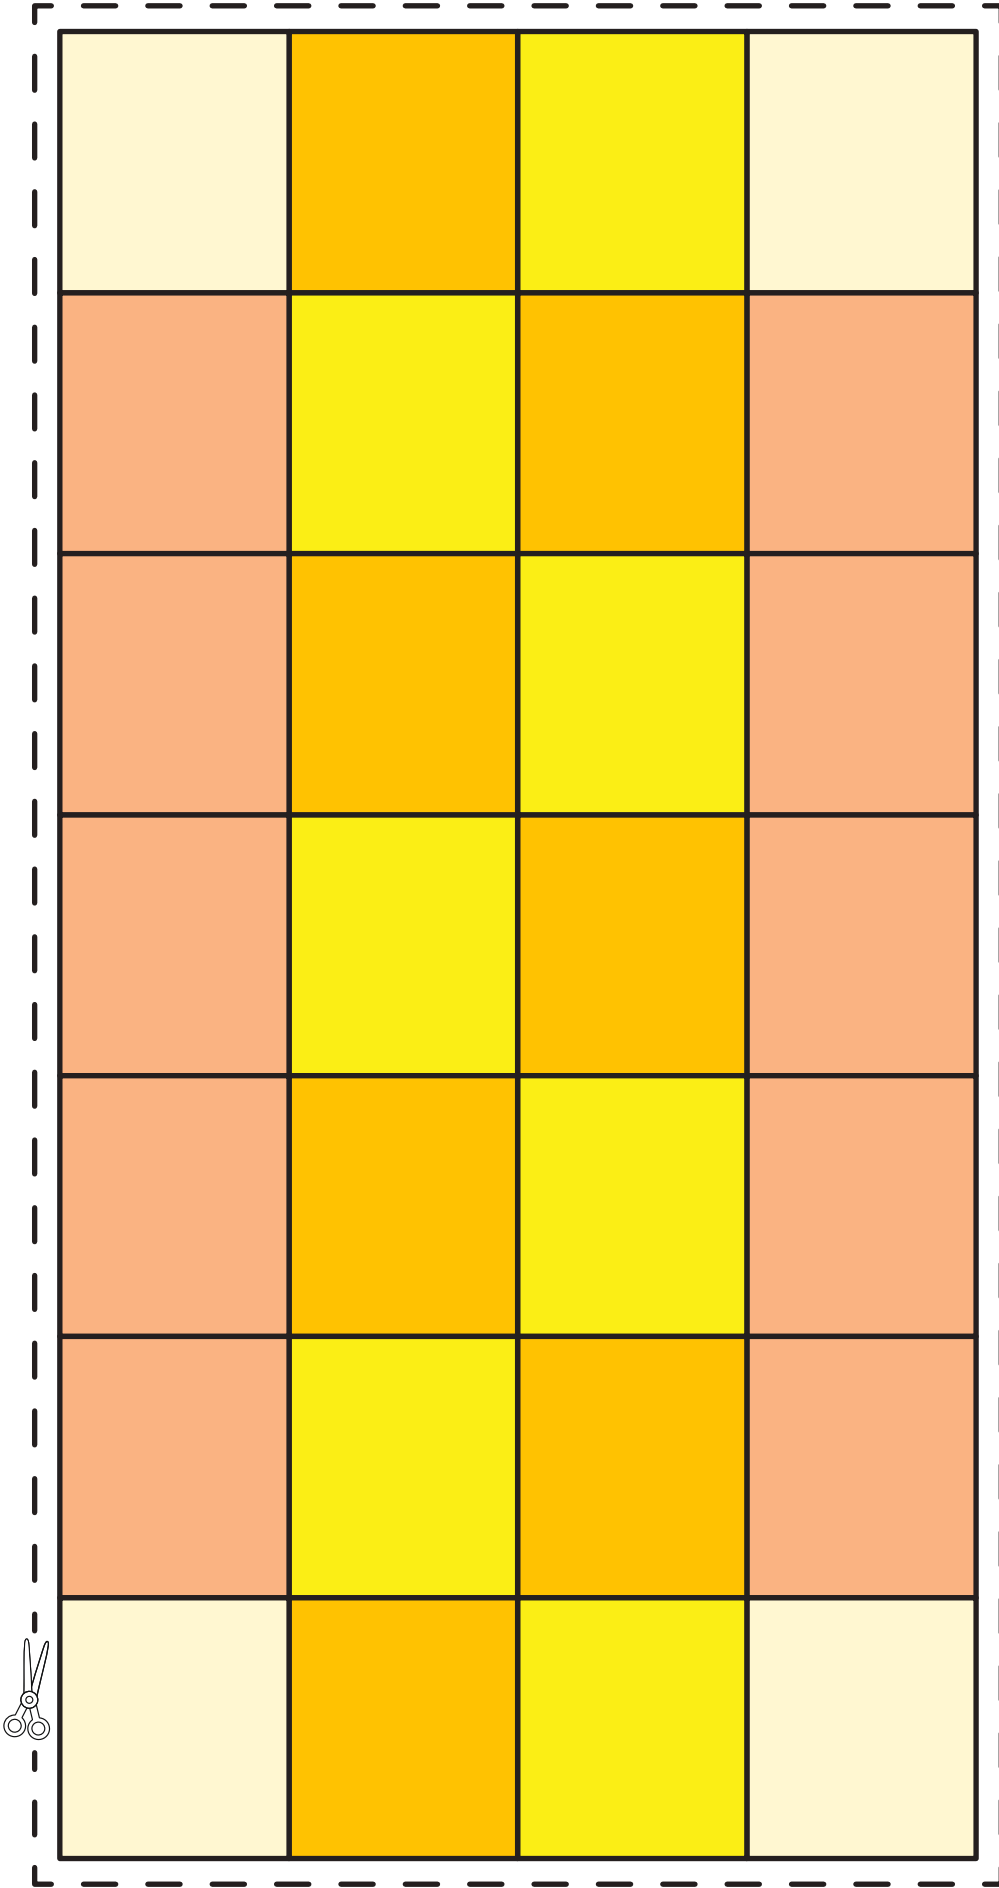

## What to do?

- Choose the theme as Seasons.
- Make a list of things which come to your mind about seasons. (Eg: the clothes we wear, the food we eat and drink, the games we play, the things we do etc.) Make a list of about 40 things.
- Now take a printout of page 3 (or draw and color the boxes same as page 3). Fill those boxes with the words you have listed out in any order.
- Make more such bingo cards for other family members.
- Every card should have different words in different order filled randomly.
- Make small 40 cards with these words written on them. (You can use old visiting cards for this.)
- One person to pick out the cards without seeing and call out the word.
- Whoever has that word written on his bingo card will cross it out.
- Whoever completes one series of colour will win points according to the key given below.

<b>300</b> POINTS	<b>500</b> POINTS	<b>500</b> POINTS	<b>750</b> POINTS
<b>FULL HOUSE-1500 POINTS</b>
