

Senior Fun Activities 5 to 10 Years

● Learning Objectives

- To develop fine motor movements.
- To learn a life skill and develop self-confidence & independence.

● Materials Required

- A couple of napkins

● What to do?

- Copy and paste the below URL to watch the video and teach the children how to fold napkins.
<https://www.youtube.com/watch?v=CuIAqUEiUFQ>
- Older children may want to fold bigger napkins or towels. Do let them.
- In a day or two, they may want to do more challenging activities.
- Please teach them to fold their bedsheets when they wake up in the morning.
