

Senior Fun Activities

5 to 10 Years

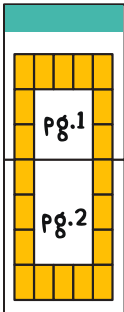

Learning Objectives

- To apply knowledge of all concepts learnt so far

Materials Needed

- A laminated copy of this game (Page 2 and 3 to be attached together as shown below)

- One dice
- Paper and pencil

What to do?

- There can be 2-4 players.
- Each one rolls the dice and moves forward.
- Wherever they land, they must follow the instructions given in that box.
- Whoever finishes first is the winner.

Let's play!

Note:

Jumping jacks: An exercise where you take your hands up and down as you jump with your legs wide and back together.
