

Yellow Honeybee Song

The leaves are green,
because they are coloured by the sun.
And the flowers...so many colours,
each and everyone.
All I want to be is a yellow honeybee.
Buzz buzz buzz in the yellow tree.
Yellow honeybee, yellow honeybee.
Buzz buzz buzz buzzing along!

Incy Wincy Spider

Incy Wincy Spider,
climbed up the water spout.
Down came the rain and washed the spider out.
Out came the sun and dried up all the rain and
Incy Wincy Spider went up the spout again.

इनसी विन्सी मकड़ा

(Hindi version of Incy Wincy Spider)
इनसी विन्सी मकड़ा, ऊपर चढ़ गया
नीचे आयी बारिश, मकड़ा धुल गया
बाहर आया सूरज, मकड़ा सूख गया
और इनसी विन्सी मकड़ा, फिर ऊपर चढ़ गया

The Sun

(Tune: The farmer's in the dell)

The Sun gives us light,
sometimes it's really bright,
without the Sun it would be dark,
we'd only have the night.

(Tune: The wheels on the bus go round and round)

The Butterfly Song

The butterfly in the garden goes flutter flutter flutter,
flutter flutter flutter, flutter flutter flutter.
The butterfly in the garden goes flutter flutter flutter...
all day long!

The Caterpillar Song

The caterpillars in the field all creep creep creep,
creep creep creep...creep creep creep.
The caterpillars in the field all creep creep creep...
all day long!

The Ants Song

The ants in the grass all march march march,
march march march, march march march.
The ants in the grass all march march march...
all day long!!

Roll Roll Roll The Dough

Roll roll roll the dough, gently in your hand
Roly roly roly roly, roll the dough in your hand

Roll roll roll the dough and make it like a ball
Roly roly roly roly, shape it like a ball

Roll roll roll it flat, on the table top
Roly roly roly roly, make a long green rope

Now curl curl curl the rope, gently on the bug
Roly roly roly roly, curl it on the bug
