

## Hands-on Activities

2 to 3 Years

# ZEBRA MAGIC PAINTING

### ● Learning Objectives

- To strengthen little fingers and hands.
- To develop hand-eye co-ordination.

### ● Materials Needed

- White crayon, black paint, water, tray, sponge and a drawing of a zebra.

### ● What to do?

- Parent to draw a zebra on a thick paper using white crayon.
- Ensure to draw broad white stripes on the zebra.
- Now provide this paper, lightly mixed black paint in water and a sponge on a tray to the child.
- Leave the child with the resources and allow him/her to wash the zebra with the paint.

### PLAYING TIPS :

Dear parent, before beginning the activity you can ask the child if they can see anything.

Later mention that, they will see some magic happen after they dab the sponge on the paper.

Once done, ask the child what they can see?

Or which animal they can see.
