The Tiger Went Over the Mountain.

(Tune - He's a jolly good fellow)
The tiger went over the mountain (3times)
To see what he could see!
The other side of the mountain (3times)
Was all that he could see!

The tiger went over the river (3times)
To see what he could see.
The other side of the river (3times)
Was all that he could see!

The tiger put on my glasses (3times)
To see what he could see.
A tiger shouldn't wear glasses (3times)
So he could see nothing at all.
