

Opening Song

Let's make a circle round and round ,round and
round ,round and round
Let's make a circle ,round and round
As it's time for circle time now .

Thursday,Friday and then there is Saturday.
Yesterday was _____(name of the day)
Today is _____(name of the day)
Tomorrow will be _____(name of the day)

(Sing) Going on a Dino Hunt

(Tune: Going on a Bear hunt)
Going on a dino hunt (slap thighs)
And I'm not afraid. (point to self)
Look, there's a tall mountain (hand over eyes).
Can't go under it, can't go over it, I'll have to go around it!
Look, there's a river!Guess I'll swim across it!
There's some tall grass..... guess I'll go through it.
Look, there's a cave!.....Guess I'll go IN it!
Shhh...It's dark in here!
It's cold in here!
I feel some scales..
I feel some teeth...what is it?
A T-REX!
Quick run out of the cave, through the grass,
acrossthe river, over the mountain,
back to our house, close the door...
Phew...We went on a dino hunt, and I wasn't afraid!
