

## Hands-on Activities

2 to 3 Years

# LET'S MAKE A CAVE FOR MR BEAR

### ● Learning Objectives

- To develop problem solving skills.
- To build imagination

### ● Materials Needed

- Some blocks
- Or
- A clean and empty cardboard carton

### ● What to do?

- Help your child to make a cave using the blocks or empty cardboard cartons.
- If the cartons is used, make a semi-circle opening in the box to show the opening of the cave
- If the blocks are used, then make an opening while building the cave
