

**Dear Parent,
Kindly ensure that your child completes these
offline activities. Request you to click pictures
of some activities and share them with the
Centre Directors. You can repeat these
activities during the week as for children –
‘The more they repeat, the better they learn’.**

Toddlers

Pom pom drops

Materials Needed :

- Tissue rolls
- Pom poms
- Tongs

What to do :

- Stick tissue rolls on the legs of the table, sides of cubbies..
- Get your child busy dropping pom poms through the tissue rolls.
- You can further add complexity by giving tongs to drop the pom poms .

Toddlers

Manipulate Playdough

Materials Needed :

- Playdough
- Turmeric powder

What to do :

- Knead some dough at home and add some turmeric powder to make it yellow in colour.
- Encourage your child to pat, pinch and roll the playdough and make different patterns .

Toddlers

Let's explore our senses

Materials Needed :

- Various food items available at home
Lemons, sugar, salt, biscuits, etc
- Kitchen utensils to explore different sounds

What to do :

- Provide your child with different food items to taste, smell, see and touch in the kitchen set up.
- Talk about every sense that they explore
- You can also sing as you explore each sense (refer to the rhymes mentioned in the weekly sneak peek)

Toddlers

Block Fun

Materials Needed :

- Blocks
- Masking tape

What to do :

- Provide your child with a set of assorted blocks of different colours.
- Encourage your child to pick only yellow colour blocks.
- Use a masking tape to make a straight line on the floor and further encourage your child to arrange the yellow blocks on the straight line.
