Dear Parents,

This week we will be revisiting the concept of the 'Stick and Count' activity with our children. For this activity you will have to encourage your child to bring paper cutouts of circles to the class. We will need 20 such cutouts as this activity will be done on all the three days.

Steps for the cut outs mentioned below:

Materials Required :

- $\frac{1}{4}$ Chart paper/ A4 sheet / Colour paper,
- Pencil
- Child-friendly scissors
- One Bisleri bottle cap as a size reference

Encourage the child to place the Bisleri bottle cap and make the outline of the bottle cap.

Then the child needs to cut the circles using child friendly scissors. Encourage the child to cut 20 such circles.

Show the child how they can fold the paper into 3 folds and cut the outline of the circle at one time.
