

Count the farm animals and trace a line to match the number and the corresponding animal set.

The image shows a matching exercise with 10 boxes arranged in two columns. Each box contains a set of farm animals and a number in a yellow circle. Dotted lines connect the boxes to their corresponding animal sets.

- Box 1 (left): 1 Horse, number 1.
- Box 2 (left): 2 Cows, number 2.
- Box 3 (left): 3 Sheep, number 3.
- Box 4 (left): 4 Goats, number 4.
- Box 5 (left): 5 Ducks, number 5.
- Box 6 (right): 2 Cows, number 2.
- Box 7 (right): 5 Ducks, number 5.
- Box 8 (right): 4 Goats, number 4.
- Box 9 (right): 1 Horse, number 1.
- Box 10 (right): 3 Sheep, number 3.

The connections shown by dotted lines are:

- Box 1 (left) connects to Box 9 (right).
- Box 2 (left) connects to Box 6 (right).
- Box 3 (left) connects to Box 10 (right).
- Box 4 (left) connects to Box 8 (right).
- Box 5 (left) connects to Box 7 (right).

Objectives

- Associate counting
- Logical reasoning
