

- 1) Tim had ten pens and he gave one pen to Pam.  
Now how many pens does Tim have?

$$\boxed{\phantom{00}} \text{ take away } \boxed{\phantom{00}} = \boxed{\phantom{00}}$$

- 2) Tom had nine books. Tom gave three books to Sam.  
How many books does Tom have now?

$$\boxed{\phantom{00}} \text{ take away } \boxed{\phantom{00}} = \boxed{\phantom{00}}$$

- 3) Jim has six dogs but four dogs ran away.  
Now how many dogs does Jim have?

$$\boxed{\phantom{00}} \text{ take away } \boxed{\phantom{00}} = \boxed{\phantom{00}}$$

- 4) Joy has eight chocolates in a box. She ate five chocolates.  
How many chocolates are there in the box now?

$$\boxed{\phantom{00}} \text{ take away } \boxed{\phantom{00}} = \boxed{\phantom{00}}$$
