

Fun time at home

HOME LEARNING Activities

- Hands On Activities
- Rhymes
- And More

Parent toddler program – A program specially designed to engage parents and toddlers with lots of fun filled activities through recorded videos and home learning activities.

Note to Parents:

- Organize every activity in neat pouches & trays.
- Ensure easy accessibility for the child to encourage independent learning.
- Allow the child to choose. These activities can be repeated too. Encourage routines and procedures around pack-up and clean-up.

If I cannot learn the way you teach me, teach me the way I can learn.

Dear parents,

To encourage creativity and imaginative play along with skill-based learning, here are some hands on activity suggestions for the week. Encourage the child to do a minimum of 2 per day.

Language development

How to:

- Reading to your toddler every night is a great way to introduce him to different words.
- Read him a simple book with pictures and ask him questions related to the story.
- You can also try pointing at images in the book and ask him to identify them.
- This can help improve his vocabulary and teach him to give accurate responses to the questions asked.
