

# ACTIVITIES FOR THE WEEK

Toddlers  
Week 29

## Note to Parents:

- Organize every activity in neat pouches & trays.
- Ensure easy accessibility for the child to encourage independent learning.
- Allow the child to choose. These activities can be repeated too. Encourage routines and procedures around pack-up and clean-up.

If I cannot learn the way you teach me, teach me the way I can learn.

Dear parents,

To encourage creativity and imaginative play along with skill-based learning, here are some hands on activity suggestions for the week.

## Language is Fun!

### How to:

- Point to various objects in your house and ask your toddler to name them. You can help him with the names until he begins to say them on his own.
- This is an easy way to build and improve his vocabulary. This game can be played anywhere – your house, in the park, or even in the supermarket.

## Pom Poms and an Ice Cube Tray

### Materials Required-

- Pom Pom
- Tweezers
- Ice Cube Tray

### How to-

- Put a bunch of craft pom poms on the table with an ice cube tray.
- Then add some fine motor tools like tweezers or clothespins.
- Children will use the fine motor tools to pick up the pom poms and place them in the tray.
- This is easily one of our favorite fine motor activities.

## Tissue Roll Stamping

### Materials Required-

- A4 size white sheet
- Paints
- Tissue roll

### How to-

- Allow the children to dip the tissue roll in paint and make prints on the paper.

## Playdough Insects

### Materials Required-

- Homemade /readymade playdough
- Reference pictures of insects

### Instructions

- Provide the child with playdough
- Encourage the child to manipulate and roll the playdough to make different insects.
