

Fun time at home

HOME LEARNING Activities

- Hands On Activities
- Rhymes
- And More

Parent toddler program – A program specially designed to engage parents and toddlers with lots of fun filled activities through recorded videos and home learning activities.

Note to Parents:

- Organize every activity in neat pouches & trays.
- Ensure easy accessibility for the child to encourage independent learning.
- Allow the child to choose. These activities can be repeated too. Encourage routines and procedures around pack-up and clean-up.

If I cannot learn the way you teach me, teach me the way I can learn.

Dear parents,

To encourage creativity and imaginative play along with skill-based learning, here are some hands on activity suggestions for the week. Encourage the child to do a minimum of 2 per day.

Speak in Complete Sentences

How to:

- Ask your toddler simple questions and encourage him to speak in complete sentences.
- This will give him a good idea of how sentence construction works and help him construct strong, coherent sentences. Ask your child simple things like, “do you want an orange?” and teach him to respond in a full sentence.
- This practice will act as a strong foundation for the future, as he will be able to articulate his thoughts better.

Pom Poms and an Ice Cube Tray

Materials Required-

- Pom Pom
- Tweezers
- Ice Cube Tray

How to-

- Put a bunch of craft pom poms on the table with an ice cube tray.
- Then add some fine motor tools like tweezers or clothespins.
- Children will use the fine motor tools to pick up the pom poms and place them in the tray.
- This is easily one of our favorite fine motor activities.

Washy Washy

Materials Required-

- Bucket /Tray of water
- Baby Shampoo
- Sponges/Brushes
- Toy cars

How to-

- Simply provide a bucket/tray of warm water, various sponges and brushes, and a dry towel.
- Add some baby shampoo to the bucket of water.
- Let the children wash their toy cars using the various sponges and brushes.

Pouring

Materials Required-

- Medicine caps/bottle caps
- Ink dropper/medicine dropper
- Medium size bowl, 3/4th filled with water
- Empty bowl

How to-

- Provide your child with medicine caps and medicine dropper.
- Encourage him/her to fill the medicine cap with water and pour it in the empty bowl
- Repeat the same using a medicine dropper.

Playdough

Materials Required-

- Playdough in different colours
- Cookie cutters/different size and shaped bowls

How to

- Encourage your child to squeeze, pat, roll the playdough with a rolling pin and use cutters to create shapes.
- Children can even make tall and short towers using playdough.

RHYMES FOR THE WEEK

Parent
Toddler

Open shut them

Open shut them(2)
Give a little clap clap clap
Open shut them(2)
Put them on your lap lap lap
Creep them crawl them slowly slowly
Right up to your chin chin chin
Open wide your little mouth but do not put
them in in in

Where is thumbkin

Where is thumbkin(2)
Here I am (2)
How are you this morning
Very well I thank you
Run away home(2)

Continue singing the same as you replace
thumbkin with Pointer, tall man, ring man and
baby finger

RHYMES FOR THE WEEK

Parent
Toddler

In my house

In my house there's a room
And in that room there's a bed
And on that bed there's a tiny teddy
bear
With a very bad cold on his head

AAACCCHUUUU....

Tiny tim

I have a little turtle his name is Tiny tim(2)
I put him in the bath tub
To see if he could swim
He drank up all the water and ate a bar of
soap(2)
And now he has a bubble, a bubble in his
throat
Bubble bubble bubble(3)
Bubble bubble POP..

RHYMES FOR THE WEEK

Parent
Toddler

2 Red apples

2 red apples hanging on the tree
2 red apples smiling down at me
I shook the tree as hard as I could
Down came the apples..
Ummm... they were good

A Child Will Eat Only As Much As A Child Will Eat

'You've probably heard this before: A child will eat only as much as a child will eat. But how many times have you kept it in mind while planning meals or feeding your child? Doctors and child nutrition experts have given some important pointers listed below along with some handy tips from parents:

- **A baby's empty stomach is only as big as the baby's fist**
- **No baby will starve himself/ herself**
- **Feeding patterns change on a daily basis**
- **Food requirement changes with age**
- **Have a schedule for meals**

The key is packing nutrition in a small quantity. After all, if children are good things that come in small packages – so should their meals!
