# ChancellorSpeak

*I am very happy to see that the 2nd issue of AU Vibes, our newsletter of the Adamas University, documenting its journey of the July-August of 2022, is being published. I want to mention at the outset that we are meeting through this initiative at a time when globally education is going through a major transformation.*

From classroom chalk and talk to a blended mode facilitated by technology, happening digitally, physically and experientially.

From teacher-centric uni-directional education to mentor-driven participative learning.

From largely a theoretical learning to completely projects-based hands-on practical learning in close contact with the industry and the society at large.

From an examination driven education to multifarious assessment driven education leading to specific pre-determined outcomes.

From a water-tight discipline driven learning to multi-disciplinary and inter-disciplinary learning, where the sciences, the humanities and the commerce are all converging together.

From isolated campuses of education to seamlessly global education going beyond the campus and the country through global collaboration and use of technology.

Travelling through the last six to seven years, we as Team Adamas surely have created some impact in Eastern India, and the various recognitions bear testimony to that. I congratulate you all for the success so far.

**But now we need to consolidate and make a big leap ahead. In every sense.**

Like, from 4000 to 6000 soon, and 10,000 students on campus by 2030.

From 230 faculty members to 300 soon, and consolidate at 500 quality faculty members, almost all with PhD or major industry experience, within 2030.

From 23 departments in 10 schools to may be around 30 departments in 12 schools by 2030.

From 90% dependence on degree admission revenue to creating one-third revenue from others sources soon, to 50-50 dependence on admissions and research grants & other revenues, like all good universities internationally.

From half the campus productively used, to entire campus fully utilized, every inch.

From 50 teachers and 1500 students staying 24x7 on campus now to 500 teachers and above 7000 students on campus by 2030.

Moving gradually to a highly ranked university under NAAC and NIRF ahead, and ranked among the top

bracket in Asia by QS and The Higher Education ranking.

From only a few Centres of Excellence to more than 20 Centres of Excellence with steady projects and revenues of each by 2030.

From a largely day-time campus today to a fully 24x7 campus in the 120 acres land of ours within a short time.

From being a stable and well-paying university today to the highest paying University in East & Northeast of India, and one of the highest in South Asia by 2030.

From being connected to 50 foreign universities, to be in active engagement with 250 universities of the world by 2030, spread across all continents and all major nations.

From being 80-90% placements records to 100% multi-dimensional placements with high quality organizations in a few years from now.

From being largely employee producing university today to a remarkable university nurturing entrepreneurs, innovators, scientists and creative professionals ahead.

This is the vision I have for this University. And you are that Mission driven team which has to realize this vision and imbibe the spirit of Adamas, and in the process yourself grow into top quality academic leaders of India, with global recognition.

But the vision cannot be realized unless we work daily, based on a firm system and a forward-looking attitude.

**Prof. (Dr.) Samit Ray**  
Chancellor, Adamas University

# VCWords

After such a voluminous introductory issue, the second edition of AU Vibes is being launched so soon! It only goes on to prove the commitment and involvement of all of us as stakeholders in the progress of Adamas. Congratulations!

I will admit to sometimes feeling uninspired. Especially in the days of COVID, decreased contact with the world and all of its wonders (colleagues, food, friends, travel...the list is, well, endless) had really impaired our ability to remember why we are here and why it matters. But that period is thankfully over. The world is again back to business with renewed zest and vigour. And AU Vibes, that catalogues all worthy activities our University is undertaking, works as an antidote. So, I feel better, more inspired. What we do does matter and it is important to celebrate.

As we are on the verge of submission of NAAC and 12B, I acknowledge the stellar role of all our colleagues, in championing this accreditation process. It feels wonderful to see the whole University aligned to a cause.

New session has already commenced. While moving around in the campus, I see young, smart faces and bright eyes. They are our future.

The famous Chinese philosopher Tao, once said that Learning and Being are inalienable as Essence and Existence. Greater freedom in human thought and the progress to the higher echelons of living standards can be realized only through the enlightenment of the inner self and is illumined by character effectiveness and visionary nobility. While consolidating Adamas

with profound intellectual and academic strength, there is a challenging responsibility to offer a stable physical structure which defines and edifies any great institution of learning.

We need to be tethered to the ideals of achieving the ennobled objectives of our University's vision and mission. There is little room for revelries. We need to transgress regional and national levels. We need to lead by example, and collectively give a character to Adamas to stand up to the trials and travails of the far and the distant future.

Growth never happens by mere chance; it is the result of forces working together. Let us all work together and align our individual visions to make Adamas the preferred centre of learning.

**Prof. (Dr.) Deependra Kumar Jha,**  
**Vice Chancellor, Adamas University**  
**Former Vice Chancellor, UPES, Dehradun and GD**  
**Goenka University, Gurugram**

# MentorSpeak

## Marching Ahead.....

In my comment in the maiden issue of AU Vibes, I had started by noting, “Organ is the Organizer. The newsletter of an organization is like its organ. It helps in organizing all that is best and hopeful in one place, cover to cover, and it helps in organizing all that is good and solemn to be done ahead. It gives an opportunity to look back to look ahead.” We now move ahead.

We had a very engaging time in the last two months, July and August, 2022. Admissions have been in full swing, leading to the largest number of students taking admission in the history of the University so far, and the Masters admissions are still in progress. Hope to see 2000 new young people with hopes and dreams on campus finally this year, vibing well with the already studying more than 5000 students.

The Orientation of the newcomers was a major initiative during this period, titled FORCEPS, which had oodles of fun with dozens of inspiring and informative talks by stalwarts of the campus. It is good to see new blood on campus presenting their creative expressions in twelve different ways.

A major initiative of this time is the YESummit, Youth Entrepreneurship Summit, the sixth one organized by YouthAid Foundation of Pune, this time in partnership with Adamas University (its entrepreneurship cell). More than 100 young entrepreneurs from 13 states of India pitched in with their business ideas, and many of them ended up with awards or support to start their business. Several new agreements have been finalized with foreign universities, corporate houses (including big names like L&T, Suraksha, Reliance and Pearson) and development sector organizations for various purposes: exchange programmes, joint training, research projects, industry applied

projects, etc.

There are major flagship events ahead in the month to come, one by School of Basic and Applied Sciences focusing on sustainable development goals, and BIONEXT by the School of Life Science and Biotechnology and School of Smart Agriculture jointly. The university is looking forward to the same.

Twenty years later, a person remembers largely the things that s/he should have done twenty years ago more than what were actually done. Let us not keep any lament for the future. Let us experience all that we should at this phase of life, participate, engage, share, learn and evolve ourselves for the next phase. In the process, our nation, our province, our people get a modern progressive university which is hands-on and productive in all its objectives and outcomes.

**Prof. Ujjwal Anu Chowdhury**

**Strategic Adviser, Communications**

**Former Pro Vice Chancellor**

**Adamas University, Kolkata**

# From the Editors' Desk

**Ambalika Guha**

**Moumita De Das**

*“For the things we have to learn before we can do them, we learn by doing them.”*

— Aristotle

We are back with the second edition of the **AU Vibes**. One of the many fun aspects of being the editors of AU Vibes has been writing this newsletter to let you know what's happening at Adamas University.

The current issue covers the period of July – August 2022.

We begin this issue with a moment of pride, congratulating the Chancellor, Prof. Samit Ray, for being awarded with doctoral degree by Bath Spa University, UK.

As the new semester sets in, AU welcomes the freshers with invigorating sessions. This issue brings us a number of exciting news to share. AU promotes innovators and entrepreneurs through 1st Bio-Meet cum Summit. We are also delighted to announce that AU has signed MoUs with six corporate houses, besides academic institutes. The accomplishments of our faculty members apropos of the research projects and collaborative initiatives with national and international organizations have been brought forward. Further, in this issue, we again present to you the achievements of our students. These features of our University are on full display in what follows.

Happy Reading! We would love to get your feedback!

**Dr. Ambalika Guha**

**Assistant Professor, Department of Language and Literature (English), School of Liberal Arts and Culture Studies,**

**Ms. Moumita De Das**

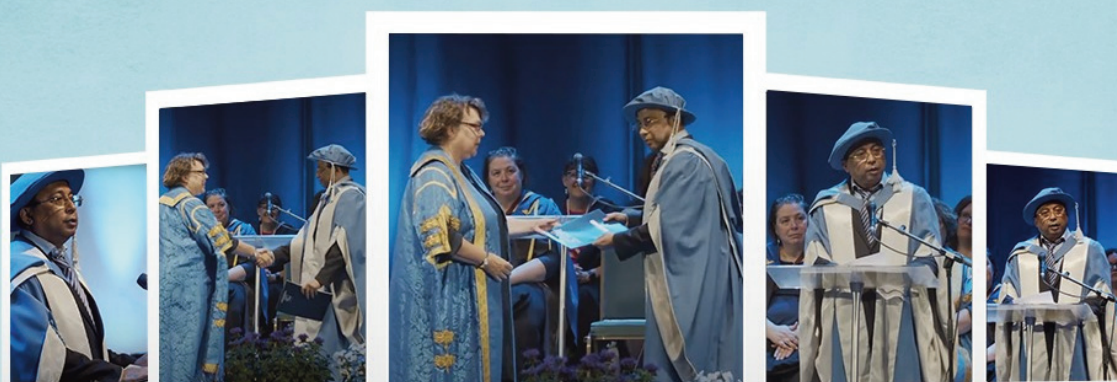

**Assistant Professor, Department of Journalism and Communication, School of Media and Communication**

*Congratulations!*

# A MOMENT OF PRIDE

OUR HON'BLE CHANCELLOR ADDS ANOTHER FEATHER IN HIS CAP!

UNIVERSITY**

## Where Innovation Meets Entrepreneurial Talent

Adamas University took a big stride towards promoting innovators and entrepreneurs through the 1st Bio-Innovators Meet and 6th Young Entrepreneurs Summit 2022 held from August 16 - 18, 2022. More than 150 participants across 14+ states of India participated in the summit. The programme was organized jointly by the E-YUVA Centre, Adamas University (supported by BIRAC) and Youth Aid Foundation. The amalgamated initiative was focused towards the development of youth and Bio-Innovators in regard to economic prosperity, social inclusion, and the future of science, technology and innovation. The participants were mostly grassroots level entrepreneurs ranging from tech-based to social start-ups. The Kolkata Chapter of Falling Walls was also present at this momentous event, where several bio-innovators pitched their ideas. The Champion of Falling Walls Lab Adamas University, Kolkata will be presenting their innovation at Global Falling Walls Lab in November 2022, Berlin, Germany. The inaugural session was graced by Prof. Samit Ray, Chancellor and Prof. Deependra Kumar Jha,

Vice-Chancellor Adamas University. The programme also provided scope for innovators and entrepreneurs to showcase their products through an exhibition cum sale. Nearly, 19 awards were given away in various category from ideation to incubation, acceleration to bio-innovation, among others.

# Vigyan Utsav: The 25th Anniversary of Bengal Patent Information Centre

VIGYAN UTSAV celebration with workshop on 'Harnessing The Socioeconomic Benefit of Intellectual Property Rights: Role of Higher Education Institutions' organised by West Bengal Council of Science and Technology, Department of Science & Technology and Biotechnology, Government of West Bengal and E-Yuva Centre, Adamas University on August 25, 2022. Minister in Charge, Ujjal Biswas graced the occasion. It was a part of 75 years celebration of Independence and 25th year anniversary of Patent Information Centre in West Bengal.

# Faculty Orientation Programme: Entrepreneurship Development

Centre for Incubation, Adamas University and E-YUVA Centre ( Supported by BIRAC) in association with IIC-AU and School of Business and Economics organised a Faculty Orientation Programme on 'Entrepreneurship Development' from July 21 - 22, 2022. The distinguished resource persons were J.A Chowdary, Former IT Advisor and Special Chief Secretary to the CM, Government of Andhra Pradesh and Deenanath Haraparahalli, Former Country Head, Invesco in India

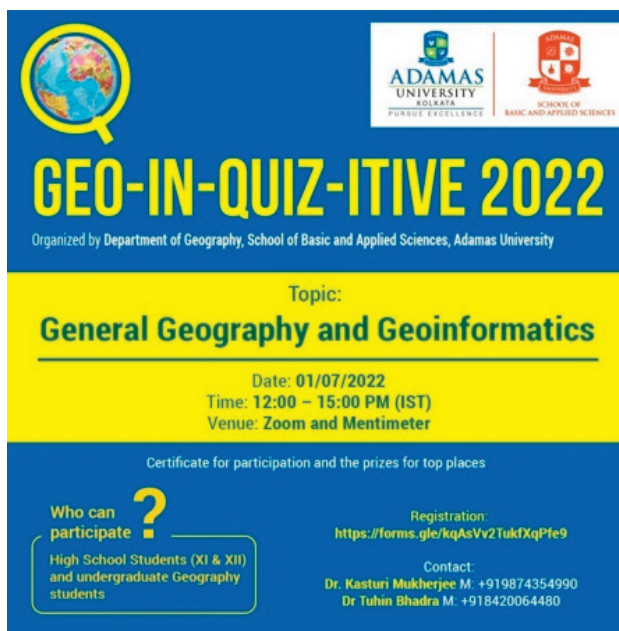

## Adamas University at Guwahati: Outreach and Exposure Visit with Team E-Yuva

A glimpse of the visit to IIT Guwahati, BioNEST, Guwahati Biotech Park, NIPER Guwahati, IASST, Guwahati University and Cotton University.

## Geo-in-quiz-itive

The second national quiz competition was organized by the Department of Geography, School of Basic and Applied Sciences, Adamas University on 24/8/2021. The competition was on general Geography and Geoinformatics. The contest was conducted online, using platforms like Zoom and Mentimeter. More than fifty (50) schools and colleges all over India like Bhairab Ganguly College, Diamond Harbor Women's University, Presidency University, St. Xavier's College, Burdwan, South City International School, and Vellore institution of technology, have participated in this event. The participant from St. Xavier's School, Burdwan secured the first prize.

**GEO-IN-QUIZ-ITIVE 2022**  
Organized by Department of Geography, School of Basic and Applied Sciences, Adamas University

**Topic:**  
**General Geography and Geoinformatics**

**Date:** 01/07/2022  
**Time:** 12:00 – 15:00 PM (IST)  
**Venue:** Zoom and Mentimeter

Certificate for participation and the prizes for top places

**Who can participate ?**  
High School Students (XI & XII) and undergraduate Geography students

**Registration:**

**Contact:**  
Dr. Kasturi Mukherjee M. +919874354990  
Dr. Tuhin Bhadra M. +918420064480

## Geo-Connect

Geo-Connect is an inclusive programme to celebrate “Geography” and was organized by the Department of Geography School of Basic and Applied Sciences, Adamas University on 11th & 12th August 2022.

The programme consisted of several events like

**GEO-CONNECT**  
Organized by Department of Geography, School of Basic and Applied Sciences, Adamas University  
In Collaboration with SERB, Department of Science and Technology, Government of India

**Date:** 11th and 12th August 2022  
**Venue:** Adamas University

**Who can participate ?**  
School Students, Undergraduate and Postgraduate students

**Contact:**  
Dr. Kasturi Mukherjee, M. +919874354990  
Dr. Tuhin Bhadra, M. +918420064480  
Dr. Supratim Karmakar, M. +8240100767

**Awards:**  
• Cash prize for the winner  
• Internship opportunities  
• Research publication

**Events in hybrid mode:**  
• Popular lecture  
• Hands-on training on Mobile GIS  
• Panel discussion  
• Mapathon  
• Debate competition  
• Poster and Model competition

**Registration Fees:** 200  
All participants will get the certificate  
**Last date of application:** 1st of August

Scan to register 

popular lectures, hands-on training on mobile GIS, panel discussion, mapathon (map-making competition), debate, poster, and model competition. The major objective of this event was to popularize the subject and create awareness among the students on current geographical issues.

Dr. Priyank Pravin Patel from Presidency University, Kolkata has delivered a popular lecture on “Geoconnections and Geographical Conversations: Our Spaces, Places, and Futures”.

In the Panel Discussion on the “Role of Geographers in climate change research” Dr. Srabanti Bhattacharya, the principal of Saheed Anurup Chandra Mahavidyalaya, Dr. Sukla Hazra, principal at East Calcutta Girls College, Dr. Sayani Mukherjee from Ashutosh college, Dr. Abira Dutta Roy from Bankura Zilla Saradhamani Mahila Mahavidyalaya, Anindita Ghosh from Vidyasagar College and Dr. Rajib Sarkar from Adamas University have made a significant contribution.

# AU signs MoU with 6 Top Corporates

To bridge the industry-academia gaps in present day curricula, for making education more application oriented and in-tune with future skills, Adamas University has signed MOU with six corporate houses on July 18, 2022. The top corporate are **Larsen & Toubro**, **Suraksha Diagnostics Pvt. Ltd.**, **RPG Foundation**, **Global Talent Track Foundation**, **SattvaQ IT Solutions Pvt. Ltd.**, **IBM India Pvt. Ltd.**

## National and International Collaborations

### SOET

The Department of Civil Engineering (CE), School of Engineering and Technology (SoET), Adamas University signed an MoU with **ImagiMinds CADD & Engineering Solutions**, Kolkata on 22nd July, 2022.

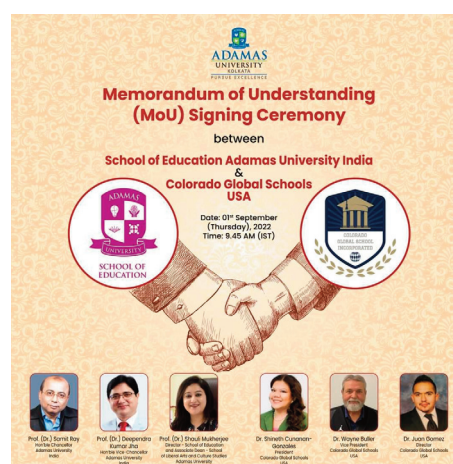

### SOET

The Department of Mechanical Engineering, School of Engineering and Technology (SoET), has signed an MoU with **Nikhil Bharat Shiksha Parishad**.

### SOE

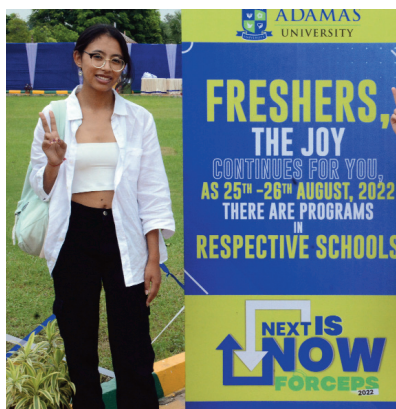

The School of Education (SoE), Adamas University has signed MoU with **Colorado Global Schools, USA**.

### SOBAS

A Memorandum of Understanding (MoU) was signed on August 30, 2022 between the School of Basic and Applied Sciences (SoBAS), Adamas University and the **Nature Mates Nature Club**, one of the most renowned Kolkata based NGO working in the field of eco-restoration, EIA and wildlife management, both at state and national level.

# Freshers' Orientation-cum-Engagement Programmes 2022

This year FORCEPS 2022 commenced on August 23 - 26. Every year this is a much-awaited programme for Adamas family. This year it was a comprehensive 6-hour induction programme for the new students at University level sessions followed by a 12-hr engagement programmes at the school levels. Adamas University greeted the new comers with a series of invigorating sessions. Over two days it was interspersed with cultural events that mesmerised the audience. The entire programme was set in a physical mode, which was a much welcoming gesture after pandemic hit us two years back. Cultural and Literary activities were held during the evening hours. The venue of the programme was Convention Centre, which marked a full house with bonhomie.

# School Level FORCEPS: Welcome to AU Family

## SOBE

Prof. (Dr.) Santanu Roy, Director of School of Business and Economics (SoBE) conducted a session on teaching-learning system in business and economics.

## SOE

School of Education (SoE) arranged an orientation programme for newly joined students at the school level. A welcome note was given by Prof. (Dr.) Shauli Mukherjee, Director, School of Education, Adamas University.

# FORCEPS 2022

## Orientation Programme for the New Batch

**Date:** 25th - 26th August 2022 | **Time:** 9:30 AM onwards

### Programme Highlights

- Face-to-face interaction with Actor/Activist Mr. Bobby Chakraborty
- Motivational talk By Ms. Swagata Majumdar, renowned Radio Professional & International Voice-over Artist
- Fun Games
- Interactive sessions with Star Alumni and Seniors
- Cultural Fiesta
- Sneak peak into School of Education (SoE)
- More about International Internship, Opportunities and Placements
- Awareness session on Mentor-Mentee Connect
- And many more...

### Welcome Address by

Prof. (Dr.) Shauli Mukherjee  
Director  
School of Education, Adamas University

### Faculty Coordinators

Dr. Pragyan Mohanty  
Associate Professor  
School of Education

Ms. Parama Kundu  
Assistant Professor  
School of Education

### Moderators

Tanaya Mukhopadhyay  
Student, B Ed  
Semester III

Abhishek Bhattacharjee  
Student, B Ed  
Semester III

### Executive Committee Members

Prof. (Dr.) Prarthita Biswas, Professor and Head of the Department, School of Education  
Mr. Pranay Pandey, Assistant Professor School of Education  
Mr. Amal Sankar Mukherjee, Assistant Professor School of Education

Orientation lectures were given by Prof. (Dr.) Prarthita Biswas, Head of the Department, School of Education, Dr. Pragyan Mohanty, Associate Professor, School of Education, and Mr. Amal Sankar Mukherjee, Assistant Professor, School of Education, followed by an introduction of all the teachers, best practices of School of Education, Alumni Talk, discussion on various school level committees for the students, and cultural extravaganza.

## SOET

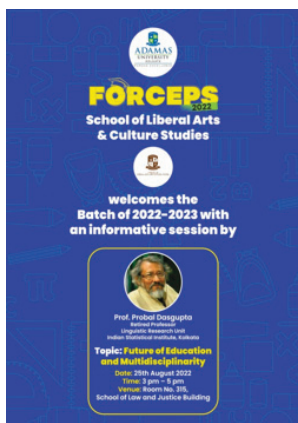

For the school level FORCEPS, the School of Engineering and Technology (SoET) organized a talk on different emerging technologies and the digital transformation and the hyper-automation happening across the world. The invited speaker was Mr. Atanu Roychowdhury, Founder, GAPCRUD.

## SOLACS

In the school level FORCEPS at the School of Liberal Arts and Culture Studies (SoLACS), the idea of Liberal Arts was introduced to the 1st year students by the two invited speakers. Prof. Probal Dasgupta, retired professor of Linguistics,

Linguistic Research Unit, ISI, Kolkata, delivered a talk on the 'Future of Education and Multidisciplinarity.' Prof. Pradip Basu, retired professor of Political Science, Presidency University, Kolkata, spoke about the 'Current Trends in Higher Education and Liberal Studies.'

## SOLJ

The School of Law and Justice (SoLJ) held FORCEPS 2022 at School level on August 25-26. There were sessions on the mission and vision of the School, use of Library, discussion about Adamas University examination pattern and regulation, aspects of attendance marking on TCSion and mentor-mentee mechanism discussion, discussion about Canvas and academic calendar, career prospects, internship, and Dean's List, Introduction of Emerging dimension of Law by senior retired Judges.

## SOMS

School of Medical Sciences (SoMS), Department of Pharmaceutical Technology & Allied Health Sciences, had organised an orientation for the newly admitted students for consecutive two days, from August 25 - 26, 2022. On the first day of FORCEPS, there were sessions, which were handled by the departmental faculties and externals.

The Guest Lecture was by Subhojit Mukherjee, Manager - HR, SLR Limited added impetus to the significance of the industrial venture, soft skills development and core management proficiency of the students.

The day two started with enthusiasm and zeal. The students were explained about the various training and placement competencies, sumptuous rules, and regulations of availing offline and online library materials, followed by the session of the Guest Speaker by Dr. Subrata Mukherjee, HR Mendine, where he elucidated the scope of healthcare in today's scenario. The day ended on a happy note.

Subhojit Mukherjee, Manager - HR, SLR Limited is felicitated by the Dean, SoMC, Prof. Dr. Sajal Kumar Jha

Guest Speaker Dr. Subrata Mukherjee, HR Mendine is felicitated by Dr. Partha Roy, Associate Professor and Dr. Asim Halder, Associate Professor.

## SOMC

School of Media and Communication (SoMC) engaged their newly inducted students with a host of exciting sessions conducted by their faculty members

### August 25 - 26, 2022

- Understanding the Media, Communication, and Entertainment Industry by Prof. (Dr.) Mahul Brahma & Prof. (Dr.) Mrityunjay Chatterjee,
- Storytelling by Dr. Sharmila Kayal, HoD of Journalism and Communication
- Audio-Visual Narratives by Soumya Suvra Das, HoD of Entertainment Media

### Expert Talk

Anindita Mookerjee Sinha (Head- Corp Comm, L&T MRHL) visited School of Media and Communication (SOMC) took an exclusive session for students of all batches. She gave an insight into the usage of Media,

Communication, and Entertainment in the Corporate World. She shared her thoughts on leadership and crisis communication and the significance of strategic communication. The event was well participated by 100 students who gained insights about the working of the corporate PR in this session.

### Film Promotion and Panel Discussion

Interaction with ace director Kaushik Ganguly and Cast of Lokkhi Chhele along with Prof. (Dr.) Mahul Brahma, Dean, SoMC

School of Media & Communication, welcomed their new students, on August 25 with a tête-à-tête with the stalwarts of the Bengali film industry with ace director Kaushik Ganguly and the entire cast of the movie 'Lokkhi Chhele'. They participated in a brilliant ses-

sion with SOMC students and faculty members. They shared their experiences about the film and their respective journeys in the world of Bengali cinema. ABP organised the panel discussion by Kaushik Ganguly, Ujaan Ganguly, Purabsheel Acharya and Ritika Pal.

## SOBAS

The school level FORCEPS in the School of Basic and Applied Sciences (SoBAS) started with the Dean welcoming the new students. Dr. Moumita Mukherjee, Dean (Research & Development) discussed about the various research avenues and grant mechanisms provided by the University. Dr. Rupam Sen,

HoD, Department of Chemistry, has informed the students about the academic path and programmes of the school. The event followed by one ice breaking session with some fun interactive games where the students interacted with their fellow mates and the faculties. The students were made aware of the activities of Students' Facilitation Center and the Student Affairs cell of the University. The main events of this session involved: Quiz competitions, Map making competitions, faculty meet, sessions on Student Code of conduct and Career counseling sessions.

## SOLB

School of Life Science & Bio Technology (SoLB) organised a two-day FORCEPS programme on

August 25-26, 2022. The event was to make the newly joined students aware of the structure and components of the School. The talk sessions were interspersed with gaming sessions, activities, competitions along with a cultural event that brought to light some fresh new talents.

## SOSA

The School of Smart Agriculture organised several engrossing sessions for their new students to make their aware of the curriculum and the system.

# International Conference on New Advancements in Forensic Science

**Applied Forensic Research Sciences**  
In collaboration With  
**Adamas University**  
(Department of Forensic Science),  
Kolkata, West Bengal  
Organizes

**Three Days**  
**1<sup>ST</sup> INTERNATIONAL CONFERENCE**  
ON  
**Multidisciplinary Research on Forensic Science and Technology**  
Date: 29th July to 31st July, 2022

**Objective:**  
Applied Forensic Research Sciences (AFRS) in association with Department of Forensic Science is organizing 1st international conference on Multidisciplinary Research on Forensic Science and Technology. The objective of the conference is to relate different branches of Forensic Science with other sciences such as biology, nanotechnology, biotechnology, odontology and many to more to have new and emerging technologies that will help in solving crime cases with more ease and less energy. As we know that Forensic science is an applied science. It has its application in all the fields of science and being associated with these fields, it leads to new research and development which creates interest among academicians, researchers and scientists. This conference will bridge the gap between new technologies and laws and will be providing a platform to discuss emerging issues and new advancements in forensic science as multidisciplinary research. It will also bring various scientific communities together to discuss the advances in the fields. This conference will give chance to all the researchers to present their work and all the interested students to learn and get an idea about new research and scope.

Title :  
"Multidisciplinary Research on Forensic Science and Technology"

**Invited Speaker:**

 <b>DR. RAKHI KHANNA</b> Associate Professor, Regional Forensic Science Laboratory, India	 <b>DR. CARLOS A. GUTIERREZ</b> Director of Forensic Science, USA	 <b>MAY ELSAYED ABD MOHAMED WEZA</b> Forensic Document Examiner, Egyptian Ministry of Justice Forensic Medicine Authority, Egypt	 <b>MR. FLOYD STEIGER</b> Director of Forensic Consulting at the American Investigative Society of Lost Lovers, Trans- national Detective Service, Police Department, Washington, USA	 <b>DR. PRAGATHEESH</b> Associate Professor, Forensic Science Department, India
 <b>DR. KRUP VASAVDA</b> Associate Professor & Forensic Medicine Expert J's Ayurveda College, Pune, India	 <b>MR. INNOCENT MAKASA</b> Chief Forensic Scientist National Forensic Science and Biotechnology Department, P.O. Box 2025, University of Cape Town, Cape Town, South Africa	 <b>DR. POOJA CHAKRABORTY</b> Asst. Prof. and Head of the Dept. of Forensic Science and Technology, APC, Group of Institutions, India	 <b>MS. SHARADA AVACHANAVAR</b> Associate Professor, Forensic Science Department, India	 <b>BSP GREGORY WILLIAMS</b> Forensic Science Department, India

**Institutional Chair person**

 <b>PROF. JITENDRA KUMAR PANDEY</b> Prof. Vice Chancellor HOD, School of Health, School of Basic and Applied Sciences, Adamas University	 <b>DR. RUPAM SEN</b> Associate Professor HOD Forensic Science, School of Basic and Applied Sciences, Adamas University
--	---

**Institutional Co-ordinators**

 <b>RADHA PATEL</b> Associate Professor Department of Forensic Science, School of Basic and Applied Sciences, Adamas University	 <b>DR. ADITYA KUMAR KAR</b> Assistant Professor Department of Forensic Science, School of Basic and Applied Sciences, Adamas University
---	--

## International Summer Convergence

August 15 - 19, 2022: School of Education, Adamas University and Quirino State University, Philippines jointly organized International Summer Convergence 2022 on 'Teacher and Graduate Education' through online platform. One of the keynote speakers was Dr. Pragyan Mohanty, Associate Professor, School of Education, Adamas University. From Adamas University the jury members were Dr. Ankhi Goon and Ms. Parama Kundu, Assistant Professors, School of Education, Adamas University. Six students from B.Ed batch 2021-2023 presented their papers.

**SOBAS**

## International Master-Class on Occupational Health and Environmental Safety

# Master Class

## @2022

PRACTICE  
DEVELOPMENT  
DIVERSITY

Organized by the Faculty of Environmental Science,  
Department of Chemistry, School of Basic and Applied Sciences,  
Adamas University

**Title of the Talk:**

## Fundamentals of Workplace Safety: International Occupational health perspectives

**Highlights of the talk :**

- With a post-graduate degree and Ph.D. in Environmental Science, Dr. Panja is operating not only as an Institutional Biosafety officer, but also responsible as an Interim Director of the High Containment Laboratory at the University of California, Merced, California, USA.

He will shed light on:

1. What are the probable occupational hazards?
2. International hazard identification guidelines and SOPs?
3. What is the role of an Environmental scientist/ professional in hazard management?
4. What are the prerequisites preferred by the employers in this domain?
5. What benefits can a degree in Environmental Science offer to help into such organizations?

Session 1: 28th May, 10 AM - 11.30 AM  
Session 2: 4th June, 10 AM - 11.30 AM

Platform : Zoom (Zoom meeting link will be shared with registered candidates)  
For Free Online Registration please fill-up the google form: <https://forms.gle/F6UpkNJUTM7jmFEPA>  
For any queries please contact: Dr. Tanmoy Kumar Dey (9674947549)

**E-certificate will be provided to all participants.**

- The Department of Chemistry, School of Basic and Applied Sciences (SoBAS) invited Dr. Saumik Panja, currently the Interim Director of High Containment Laboratory and the Interim Campus Biosafety Officer, University of California, to deliver on ‘Fundamentals of Workplace safety: International Occupational health Perspective.’

## Online Lecture On Academic Opportunities, University Of California

# ADAMAS UNIVERSITY

WISDOM BETTER KNOWLEDGE

WISDOM BETTER KNOWLEDGE

## AN ONLINE SESSION ON

# IDP & UIP AT THE UNIVERSITY OF CALIFORNIA SANTA BARBARA

### Organized by School of Engineering & Technology, ADAMAS UNIVERSITY

Date: 3.08.2022  
Time: 5:00 PM to 6:00 PM (IST)

Recesses:-

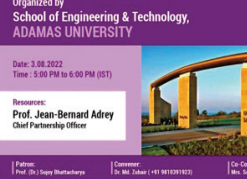

**Prof. Jean-Bernard Adrey**  
Chief Partnership Officer

Palmitos:  
Prof. Dr. Sangeetha Banerjee

Co-Moderator:  
Dr. M. G. Joshi (+91 9012031922)

Co-Coordinator:  
Mrs. Sushanth Chaturvedi

Registration link: <https://forms.gle/v7Gh1tAde3uq8D8>

- The Department of Mechanical Engineering, School of Engineering and Technology (SoET), Adamas University organized an online lecture on generating

awareness among students the academic opportunities they can be availed from the University of California, Santa Barbara.

**SOLB**

## Industry Dialogue Webinar Series

- On Aug 18, the Department of Biological Sciences, School of Life Science (SoLB) and Biotechnology hosted the Industry Dialogue Webinar Series. The invited speaker was Dr. Abhishek Mukherjee, Application Scientist, Genestrings Diagnostic Lab Pvt Ltd., New Delhi. He offered students a fundamental understanding of the types of antibodies, how does monoclonal antibody therapy work, and the evolution of antibody therapy.

## SOE

## Leaders Communicate Differently

- 25th July, 2022: School of Education (SoE), Adamas University organized International Lecture Series #8 on the topic “Leaders Communicate Differently”. The eminent speaker for this session was Felicia Shanken, CEO/Founder of the Philadelphia Women’s Network Connection, LLC and PWNC Foundation Inc United States of America.

## SOMC

### Session on News Wire and Chevening Scholarship

An exclusive session was organized at School of Media and Communication (SoMC) addressed by Ajitha Menon, Political Econ-

omy Adviser at British High Commission, Kolkata and Former Chief Bureau, Asian News International. The session was on News Wire business and Scholarship opportunities in UK through Chevening Scholarship.

### Session on 'Upside Down' of Media World

On 15th July, School of Media and Communication (SoMC) hosted its regular LeaderSpeak series addressed by a veteran journalist Sumit

Moitra, an Associate Editor of Coal Insights, who shared his experience as a journalist and several challenges encountered as a senior journalist to deliver an unbiased journalism.

## SOBAS

### SOBAS organises series of Invited Guest Lectures

- The Department of Physics, School of Basic and Applied Sciences (SoBAS) organized its 2nd Distinguished Lecture in Physics 2022 on "2016 Nobel Prize in Physics: Flatland and Topology". The lecture was delivered by Prof. Diptiman Sen, Professor & J. C. Bose Fellow, and Homi Bhabha Fellow, Indian Institute of Science, Bangalore, India.
- As a part of its outreach programme, the Department of Physics organized a lecture on "Future Career Prospects in Physics" on 23rd July 2022. The resource person for the event was Prof. Piyush Dua of the University of Technology and Applied Sciences, Sultanate of Oman.
- To keep up with the current trend in the industry sector, the Department of Physics organized the 3rd Academia - Industry Meet

2022 on "A short introduction to Orthopedic Medical Device Industry". The resource person of the event was Kristi Basu, Clinical Affairs Project Manager Zimmer Biomet, Warsaw, Indiana, United States.

and Technology: From quantum information to the search for quantum gravity" was arranged and the invited speaker was Ricardo Decca, Professor and Department Chair, Physics Co-Director of Nanoscale Imaging Center.

- The most awaited and prestigious event for the Department of Physics was a joint venture with Purdue School of Science at IUPUI, USA. Under this joint venture, a lecture on "Quantum Science

## SOE

## Inclusive Education: Beyond Boundaries

● July 19, 2022: An International Workshop was organized through hybrid mode by School of Education (SoE), Adamas University on 'Inclusive Education: Beyond Boundaries' in association with Mariano Marcos State University, Philippines; Paro College of Education, Royal University of Bhutan; Tribhuvan University, Nepal and University Scholars Association of the Philippines. The eminent speakers were Dr. Khaleda Gani Dutt, Senior Lecturer, Department of Special Education, Stockholm University Sweden; Dr. Mina Sedem, Director of Studies, Department of Special Education, Stockholm University Sweden; Dr. Karma Jigyel, Senior Lecturer, Paro College of Education, Royal University of Bhutan; Prof (Dr.) Basu Dev Kafle, Professor of Special Needs Education, Tribhuvan

Topic: Present Status of Inclusive Education in Stockholm Sweden

University, Nepal, and Dr. Randymax Maramag Bulaquit, Founder and Chairman of National Academy for Professional Skills Development, Inc., Philippines.

## SOET

## Workshop on 3D Modelling and Simulation

**Hands-on Training on 3D Modelling and Simulation**  
Organized by  
Department of Mechanical Engineering,  
School of Engineering & Technology, Adamas University  
In Collaboration with  
Nihil Bharti Siksha Parishad,  
an initiative of Nil Jayap  
**Date - 11 - 12 August, 2022**  
**Venue - 3D Modelling Lab, SoET**

**Resources:**  
**Dr. Md. Zubair**  
**Mr. Pradip K. Das**  
**Dr. Prasun Dutta**  
**Mr. Sudip Chakraborty**  
**Free Registration**  
can be done  
either by  
scanning the  
QR or calling  
the coordinator  
directly

● A workshop on 3D modelling and simulation was conducted by the Department of Mechanical Engineering School of Engineering and Technology (SoET), Adamas University. It intended to develop skills in 3D modelling and simulation using Autodesk Inventor software.

## SOMS

### Intellectual Property Rights (IPR): Career in IP

● On July 15, Department of Pharmaceutical Technology (DOPT), School of Medical Sciences (SoMS) organized the workshop on 'Career in Intellectual Property'. The purpose of this event was to generate the basic level of awareness about patents, copyrights and other aspects of IPR amongst its stakeholders- Faculty members and the students, who are directly or indirectly involved in the process of innovation.

**Prof. Umesh V. Banakar,**  
Pharmaceutical advisor and  
consultant delivering speech

### Pharmaceutical Technology: The Scope Ahead

● School of Medical Sciences (SoMS) organized a panel discussion on June 15. The panel discussion started with depth presentation regarding the field of pharmaceutical technology and the various programmes under the same. The session was organized by Dr. Susmita Patra, Dr. Bitasta Mandal and Dr. Anwesha Barik, Assistant Professor, Department of Pharmaceutical Technology, School of Medical Sciences, Adamas University, Kolkata. The same was moderated by Dr. Bitasta Mandal.

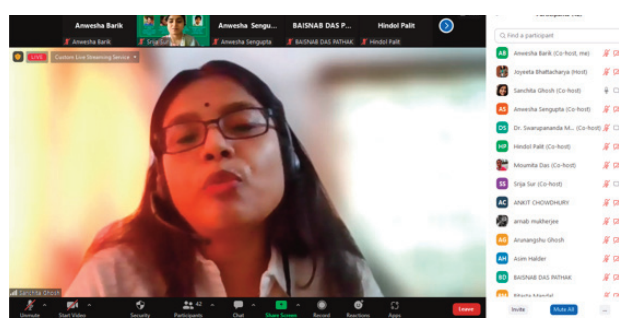

### Emotional And Occupational Turmoils Of Women At Workplace

● The School of Medical Sciences (SoMS) organised the panel discussion on "Emotional and occupational turmoils of women at workplace". The panellists were Hindol Palit, Lecturer, Department of English, Barrackpore Rastraguru Surendranath College, Dr. Anwesha Sengupta, Assistant Professor, Department of Electrical engineering, NIT Rourkela, Dr. Sanchita Ghosh, Assistant Professor and Co-ordinator of Psychology, West Bengal State University and Dr. Swarupananda Mukherjee, Assistant Professor, NSHM College of Pharmaceutical Technology. The issues discussed were about pay inequity, caregiver issues, gender-based violence, infertility, menopause, and postpartum depression.

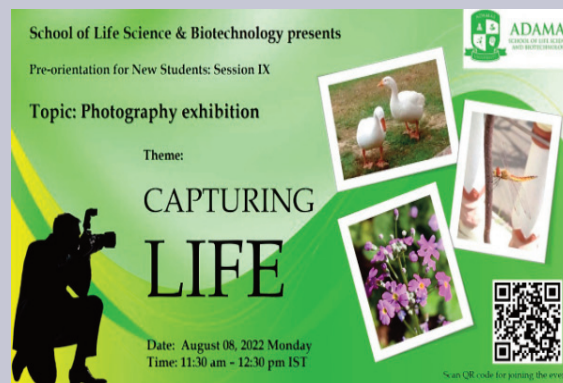

**Prof. Sajal Kumar Jha is giving the welcome address**

**Dr. Sanchita Ghosh is sharing her views on the topic**

**SOLB**
**Online Photography Exhibition On 'Capturing Life'**

● On Aug 8 and 10, the School of Life Science and Bio-technology (SoLB) organised an online photography exhibition to motivate the new students about the future prospects of Biotechnology and Biological sciences. The theme of the online photography exhibition was 'Capturing Life'. The resource persons were Dr. Piyali Das, Dr. Bandana Padhan and Dr. Priyanka Bhowmick. The students learnt how to capture and analyze a picture and also learn

about the SOLB programmes.

**SOMC**
**Celebration of World Photography Day**

● The School of Media and Communication (SoMC) celebrated the World Photography Day in partnership with Sony India and the Photography Club of India. The programme included a photography competition, exhibition and workshops by the experts. We exhibited a large collection of 350 photographs submitted by students and professionals from pan-India. The event was graced by the Hon'ble Vice Chancellor of Adamas University, Prof (Dr) Deependra Kumar Jha and esteemed guests, Sabyasachi Nath, director, PCI and Saroj Kumar Dora, technical marketing in charge – East & North East, Sony India Limited. The insightful workshops were conducted by photography experts Sandipan Mukherjee, acclaimed travel photo journalist and author, Rishika Brahma, eminent wedding

photographer and mentor and Nivedita Dutta, renowned photographer and author for their insightful sessions. An exclusive online session was also conducted by the Michigan State University Professor and Ace Photographer, Peter Glendinning.

## Inter-Disciplinary Research and Publications

An FDP was organized on 18th August, 2022 by the School of Business and Economics (SoBE).

Two very prominent international professors were invited. Dr. Monomita Nandy, Reader- Accounting and Finance, Brunel University, London and Dr. Suman Lodh, Associate Professor-Finance, Kingston University, London. They shared their valuable insights on the inter-disciplinary research and publication opportunities in the high-impact journals.

## School of Smart Agriculture Training Sessions

• Dr. Sandip Banerjee, Dean of the School of Smart Agriculture (SoSA), Adamas University was invited for training sessions at Odisha Gramiya Bank; BIRD headquarters, Kolkata; Jharkhand Rajya Gramin Bank; and Paschim Banga Gramin Bank. His sessions focused on the Farmer Producer Companies (FPOs) and Government schemes (both central and state funded), agricultural value chain management, integrated

farming and methods of appraisal of livestock projects.

Training programme at Jharkhand Rajya Gramin Bank, Ranchi

Training programme at BIRD Headquarters, Kolkata

Training programme at Odisha Gramiya Bank, Bhubaneswar

**SOBE**
**Industry Talks: Entrepreneurship as a Career Option**

- The event was jointly organized by the Department of Management, School of Business & Economics (SoBE), Adamas University and Asian Institute of Family Management Business, Mumbai. The invited speakers were Mr. Rajat Sethi,, Director, Teshi Group and Mr. Manoj Kr. Periwai, CEO, Companion Placements. Both the speakers discussed with the students the method of exploring entrepreneurship as a career option early in their life.

**SOET**
**Training Need Analysis**

- Training Need Analysis was organized by the Department of Civil Engineering, School of Engineering and Technology (SoET), Adamas University in association

with ImagiMinds CADD & Engineering Solutions, Kolkata. The agenda of the session was to counsel the students to understand their skills and training requirements and to conduct skill gap analysis of the students and finding related training essentials to achieve their dream career.

**SOLB**
**Academic Career Counselling Session**

- The School of Life Science and Biotechnology (SoLB), Adamas University and Ranaghat College jointly organized an 'Academic Career counselling session for Bioscience and Allied Science.'

## SOET

## Industrial Visit to NTH

● The School of Engineering and Technology (SoET) organized an industry visit for their students at National Testing House (NTH). The students were introduced to different testing devices at the NTH laboratories. The students also conducted experiments on photometry and insulation testing.

## SOLB &amp; SOET

## Industrial Visit to Suraksha Diagnostic

● The School of Life Science and Biotechnology (SoLB) in association with the School of Engineering and Technology (SoET) organized an industrial visit for their students to Suraksha Diagnostic Centre. The visit involved the following discussion:

- ◆ How to process a tissue of patient and convert it into a sample for testing using tissue processor, embedder, cold plate, floatation bar, slide warmer.
- ◆ How to do ELISA test using Cobas E 411, how to perform bacterial identification and antibiotic susceptibility testing using Vitek 2, how to do Covid extraction using Zybiox machine, how sequencing is done using ion genestudio S5, application of Diasorin liaison.

**Suraksha**

**CONVENER: DR. GOURANGA PATRA, ASSOCIATE PROFESSOR, SOBE**

- School of Business and Economics (SoBE) conducted the following events:

#### Day 1

**Topic:** Changing Scenarios in Business Landscape

**Speakers:** Prof (Dr) Santanu Roy, Director, SOBE and Dr. Amitava Ghose- Assistant Professor, SoBE  
 This session was conducted to give an overview to the students about latest technology and its application in modern business-like IT in Smart Business, Block Chain Technology, Omni Channel and Cryptocurrency.

#### Day 2

**Topic:** Motivating Self and Self Growth

**Speaker:** Dr. Indranil Bose, VP Academics, Professor, SoBE

The session started with the discussion on self-motivating concept by explaining internal locus of control and external locus of control. The path of success mantra discussed in the session with example of National and International icons.

#### Day 3

**Topic:** Technology Integration in Business: New

### Avenues

**Speakers:** Dr. Naveen Das, Dean, SoBE and Dr. Arindam Ghosh, Assistant Professor, DOM  
 The value addition series of programmes by SOBE reached its final day on 18.8.2022. At the outset, Prof. (Dr.) Naveen Das illustrated the necessity of technology in the era of Industry 4.0 with complete digitalization, and Dr. Arindam Ghosh elaborated on the various technology and strategic management options shaping up the business operations to a new dimension.

Time: 11:30 am – 12:30 pm IST

Scan QR code for joining the event

- The School of Life Sciences and Bio-technology engaged the new students in 'Science Project at home'. The session aimed to provide the students the glimpses of the future and general awareness about the SOLB programmes.

## SOLJ

- On August 3, 2022, the senior students of the School of Law and Justice (SoLJ), Adamas University organized an online orientation programme for the newly admitted students.

**Adamas University**  
**School of Law and Justice**

**Online Orientation Programme for Newly Admitted Students**

Ritu Basu Semester III B.Sc. LL.B. (H)	Ashwini Das Semester III B.A. LL.B. (H)	Subhadeep Basu Semester VII B.Sc. LL.B. (H)	Paurnima Saha Semester IV BBA LL.B. (H)	Payal Dasgupta Semester I BA LL.B. (H)	Sayak Ranjan Sanjay Semester IV BA LL.B. (H)	Rakshita Kumar Semester I BA LL.B. (H)

Date: 03.08.2022  
Time: 03:00 pm – 4:00pm

Platform: Google Meet  
Organized By: School of Law and Justice

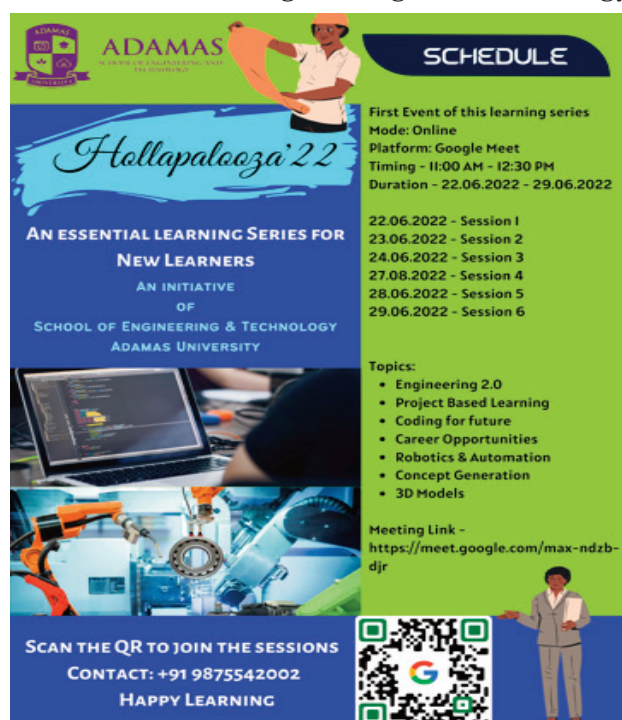

- The School of Law and Justice invited three reputed speakers from the Industry to enlighten

the first year students on the various aspects of Law. Prof. Sujit Kumar Nandy, Retd. District & Session Judge, discussed the career opportunities available to law graduates. Prof. Tapan Kumar Das, Retd. Registrar, West Bengal Administrative Tribunal, and Prof. Mahadeb Ghosh, Retd. Judicial Member, West Bengal Taxation Tribunal discussed the utility of studying procedural law.

## SOET

- The School of Engineering and Technology

(SoET) hosted an engaging session, based on robotics and basic sensors used in daily life as well as in industry. Brief details have been shared with the newly admitted students through storytelling. Basic sensors like thermocouples, gas sensors, gyro sensors, etc. have been discussed with the applications. Prof. Sayantan Singha Roy discussed an open-end software for robot dynamics based on basic physics. Overall an interactive session has been conducted with 56.4% attendance. Few Interesting Analysis

## SOMC

- The School of Media and Communication (SoMC) engaged their newly inducted students with a host of exciting sessions conducted by

their faculty members

- Understanding the Media, Communication, and Entertainment Industry by Prof. (Dr.) Mahul Brahma & Prof. (Dr.) Mrityunjoy Chatterjee,
- Storytelling and Documentation: Deciphering the Media Ecosystem, elaborating on two quintessential Skills in Media, Communication, and Entertainment

by Dr. Sharmila Kayal, HoD of Journalism and Communication

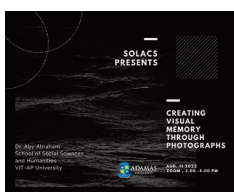

- Audio-Visual Narratives: The Future Beckons, a topic that addressed the Primordial Nature of Audio-Visual Communication by Soumya Suvra Das, HoD of Entertainment Media
- SOMC: A Novel Paradigm- A Tour of the SOMC Building and the Studio at AU1 Building by Swati Chandak.

● School of Media and Communication (SoMC) engage students in practical exposure to camera in nurturing them in both still photography and film-making. This is an integral part of their curriculum in film and television. This is a regular activity that aid students to instill holistic approach in their path to achieve industry ready. The active participation of the faculty members further enhance the vibrancy.

## SOLACS

The School of Liberal Arts and Culture Studies (SoLACS) conducted the following sessions:

### Creating Visual Memory through Photographs

● **Speaker:** Dr. Aby Abraham, Assistant Professor, VIT AP University.

### Poetry and Story Telling

● **Speaker:** Ms. Rimi Nandy, Assistant Professor, Department of Language & Literature, Adamas University

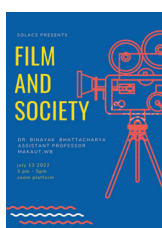

### Revisiting Museum in the New World through Visual Tours

● **Speaker:** Dr. Nisha Takur, Asst. Professor, Department of Social Sciences, Adamas University

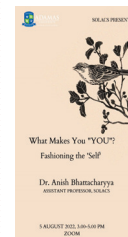

### Science Society and Development

● **Speaker:** Dr. Kunal Sinha, Asst. Professor, Centre for Studies in Science, Technology, and Innovation, Central University of Gujarat

### Film and Society

● **Speaker:** Dr. Binayak Bhattacharya, Assistant Professor, Department of Media Science MAKAUT, West Bengal.

### What Makes You "You?" – Fashioning the Self

● **Speaker:** Dr. Anish Bhattacharyya, Asst Professor, Department of Language & Literature, Adamas University

# Mega Projects, Patents and Publications

- On Going Projects

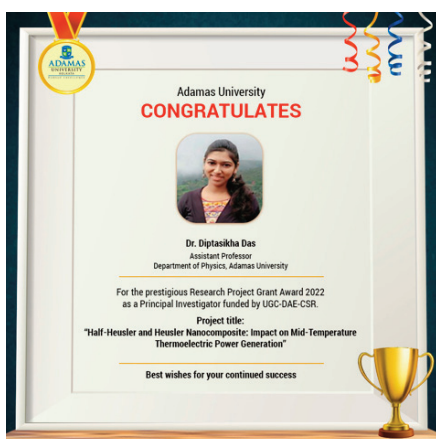

**Dr. Srijeeta Talukdar,**  
Assistant Professor, Department of Chemistry  
**Project title:** Soft computing-based approach towards the study of controlled quantum dy-

namics on ab initio surface.

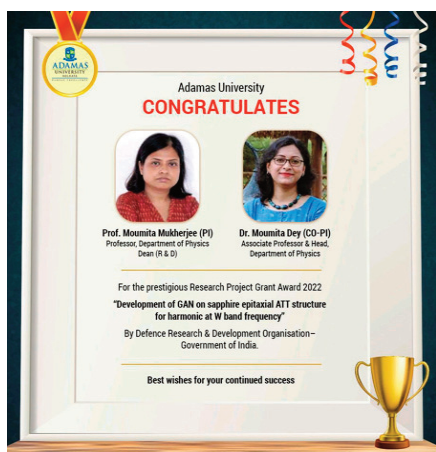

**Funding agency:** DST-SERB under SRG, Govt. of India

**Amount:** 25 Lacks.

**Dr. Diptasikha Das,**  
Assistant  
Professor,  
Department  
of Physics,  
School of  
Basic and  
Applied  
Sciences

received UGC-DAE-CSR grant for the project “Half-Heusler and Heuslaer Nanocomposite: Impact on Mid-Temperature Thermoelectric Power Generation.”

**Prof. Moumita Mukherjee,**  
Department of Physics  
and **Dr. Moumita Dey,**  
Department of Physics  
have

received research grant from Defence Research and Development Organisation- Government of India.

**Dr. Purba Bhattacharya**, Assistant Professor, Dept. of Physics, School of Basic and Applied Sciences has received a prestigious research grant from DST-SERB on “Imaging of Archaeological structures using Atmospheric Muons”.

- Patents

**Inventor:** Dr. Deepak Sharma, Associate Professor, DOPT, School of Medical Sciences.

**Title of the invention:** Artificial Intelligence based interventions for developing stability indicating method and validation of anti-cancer drug using RP-HPLC Method.

## Raksha Bandhan

Rakhi, also known as Raksha Bandhan is a popular and traditionally Hindu annual rite or ceremony that is central to a festival of the same name celebrated in South Asia. It is also celebrated in other parts of the world significantly influenced by Hindu culture. On this day, sisters of all ages tie a talisman or amulet called the Rakhi around the wrists of their brothers. This is considered to a very auspicious event by the people of India.

**Date of Event:** August 11, 2022

**Convenor:** Dr. Kausheyee Banerjee, Assistant Dean, Student Affairs; Associate Professor and HoD, Department of Language and Literature, School of Liberal Arts and Culture Studies

## Independence Day 2022

Independence Day is celebrated annually on August 15 as a national holiday in India commemorating the nation's independence from the British on 15 August 1947. Many freedom fighters had died fighting for freedom. Independence day marks a day of new India free from all bondage of British Rule. India attained independence following the Independence Movement noted for largely non-violent resistance and civil disobedience.

**Date:** August 15, 2022

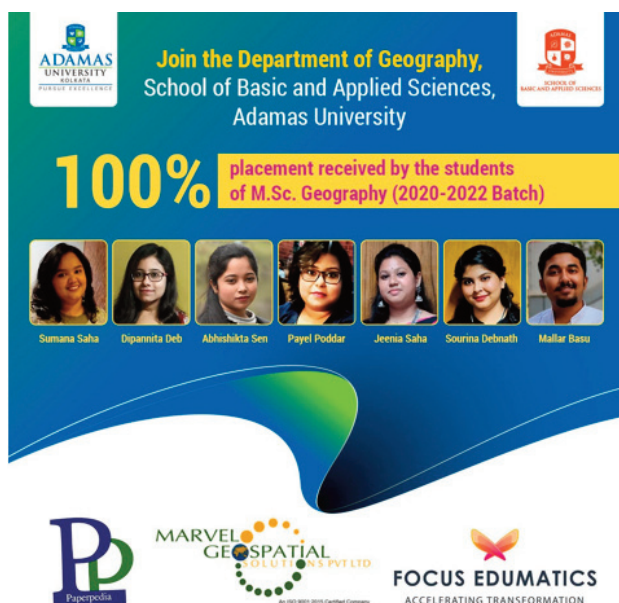

**Convenor:** Dr. Kausheyee Banerjee, Assistant Dean, Student Affairs; Associate Professor and HoD, Department of Language and Literature, School of Liberal Arts and Culture Studies

## Campus Placement Stories

This year, M.Sc. Geography (2020-2022 batch) students have received 100% placement in different organizations.

- Paperpedia - Dipannita Deb
- Focus Edumatics - Jeena Saha, Mallar Basu, Sumana Saha
- Marvel Geospatial - Sumana Saha, Dipannita Deb, Abhishikta Sen, Payel Poddar, Jeena Saha, Sourinadebnath, Mallar Basu.

**Join the Department of Geography,**  
School of Basic and Applied Sciences,  
Adamas University

**100%** placement received by the students  
of M.Sc. Geography (2020-2022 Batch)

Sumana Saha, Dipannita Deb, Abhishikta Sen, Payel Poddar, Jeena Saha, Sourinadebnath, Mallar Basu

**PAPERPIEDIA**  
MARVEL GEOSPATIAL SOLUTIONS PVT LTD  
FOCUS EDUMATICS  
ACCELERATING TRANSFORMATION

## Internship Opportunities

**Congratulations**  
for being selected for the internship opportunities in

- Indian Meteorological Department, Kolkata
- River Research Institute
- Estuarine and Coastal Studies Foundation
- Opsis System Pvt Ltd.

**Batch:**

- B.Sc. Geography (2020-2023)
- M.Sc. Geography (2021-2023)

- M.Sc. Geography (2020-2023) students had been selected for the internship in IMD (Indian Meteorological Department) Kolkata, institutions like RRI (River Research Institute), and also Estuarine and Coastal Studies Foundation.
- B.Sc. Geography (2021-2023) students are selected for the internship in Opsis System Pvt Ltd.

### SOLB

**Mr. Arko Moharo**  
B. Sc. Chemistry, Batch 2022

All India ranked 1st in the entrance test MPST Chemistry, 2022 for Integrated MS-PhD programme from the School of Chemical Science, Indian Association for the Cultivation of Science. (IACS), Kolkata.

**Ms. Jayashree Patra**

M. Sc. Chemistry,  
Batch 2021

Cracked CAT, 2022 and pursuing MBA in IIM, Sambalpur.

**Munmun Kundu**

AU Student

Slays at the World Table Tennis (WTT) Youth Series, Sweden

## CDC Director Speaks

Continuing with our past success we have focused in the months July-August mainly on students' internships. I am thankful to all the renowned recruiters for extending opportunities to our students to help them have high level industry exposures. On this note, I must mention about our students who are doing remarkably well and successfully fulfilling their job roles thereby creating a legacy for Adamas University. Needless to say, industries have now started keeping confidence in us which once upon a time was a matter of fight indeed. We have signed MOUs with six high profile corporates in the month of July. Thus, I can say that the industry-academia bridge has been made through these strong collaborative partnerships which is a great success for the entire University.

**Mr. Abhijit Giri**

Director, Career Development Centre, Group Outreach and Alumni Relations.
