Chief Finance Officer - Group Recruitment Announcement

Position:

Group Chief Finance Officer (Group CFO)

Qualification Required:

Qualified Chartered Accountant (CA)

Experience Required:

20+ years of relevant leadership experience in finance, strategy, and corporate governance

About the Role:

We are seeking an accomplished and visionary Group Chief Finance Officer to lead our multi-vertical financial strategy and drive sustainable growth. As a key member of the executive leadership team, you will be responsible for steering the financial health of the group, enabling strategic decision-making, and ensuring compliance with the highest standards of corporate governance.

Key Responsibilities:

- Formulate and implement group-wide financial strategies aligned with business goals
- Lead budgeting, forecasting, and capital allocation processes
- Oversee financial risk management, compliance, and regulatory reporting
- Drive operational efficiency and cost optimization initiatives across business units
- Lead M&A activities, investment planning, and strategic partnerships
- Guide, mentor, and develop finance teams across the group
- Foster strong relationships with investors, auditors, financial institutions, and stakeholders

Preferred Profile:

- Proven track record of 20+ years in finance leadership, preferably at group or corporate level
- Strong expertise in corporate finance, strategic planning, and risk management
- Hands-on experience in M&A, fundraising, and international finance operations
- Exceptional leadership, communication, and stakeholder management skills
- Ability to drive transformation in complex, multi-entity environments

Why Join Us?

- Strategic Influence: Direct impact on business direction and long-term growth
- Leadership Role: Be part of a high-performing leadership team shaping the company's future
- Global Exposure: Opportunities to work with international partners, investors, and markets
- Attractive Compensation: Competitive remuneration with performance-linked incentives
- Growth & Legacy: Lead the financial journey of a rapidly expanding group of companies
