Join a Future-Focused Institution Empowering Innovation and Research

Positions Open:
Professors / Associate Professors / Assistant Professors

Department:
Computer Science and Engineering

Areas of Specialization:
Artificial Intelligence (AI), Data Science, Cybersecurity, Natural Language Processing (NLP), High-Performance Computing, Internet of Things (IoT), Metaverse, Quantum Computing

Why Adamas University?
Adamas University is one of India's fastest-growing private universities, committed to excellence in teaching, research, and innovation. Located in Kolkata, the University provides a dynamic, multidisciplinary environment that actively fosters academic freedom, innovation, and global collaboration.
We invite ambitious researchers, passionate educators, and global innovators to join our vibrant academic community in the Department of Computer Science and Engineering.

What We Offer:
● Global Research Environment: Collaborations with top universities across the USA, Europe, and Asia through MoUs, joint research, and exchange programs.
● World-Class Research Infrastructure: Access to state-of-the-art labs and Centres of Excellence in AI, Data Science, Quantum Computing, and more.
● Industry Partnerships: Active collaboration with top tech companies for funded projects, consultancy, and real-world impact.
● Academic Growth: Research seed grants, mentorship programs, and leadership opportunities for faculty at all levels.

● Attractive Compensation: Competitive salary as per UGC norms with special allowances for high-performing and internationally experienced candidates.
● Recognition and Rewards: Incentives for quality publications, patents, grants, and innovation achievements.

Preferred Qualifications:
● Ph.D. from reputed institutions (IITs, NITs, IIITs, IISc, or globally ranked universities)
● Strong publication record in SCI/Scopus-indexed journals
● Experience in externally funded research and interdisciplinary collaboration
● International postdoctoral or teaching experience is a plus

How to Apply:
Email your updated CV, cover letter, list of publications, and a brief research statement to: recruitment@adamasuniversity.ac.in
Please mention "CSE – [Specialization]" in the subject line.

Apply within 10 days of this advertisement for early consideration.
