#### A. Procedure for Grant of Scholarship

The Merit Scholarship will be automatically granted on declaration of the results by the Controller of Examinations. The letters to this effect will be issued to all concerned by the Registrar on approval of the Vice chancellor and Chancellor, after declaration of results.

#### B. General Conditions

- i. The maximum scholarship numbers are
  - a. top three for a batch strength of 41 and above
  - b. top two for a batch strength of 21 to 40
  - c. top one for batch strength is 1-20
- ii. If at the time of determining the number of scholarship it is observed that more than one student has a tie in a particular rank / position (i.e. the same percentage/marks/SGPA), the scholarship amount admissible will be equally shared among all such students having same rank.

#### Scenario 1:

If three students score equal marks and secured 1st position, the scholarship amount year marked for positions 1, 2 and 3 will be added and distributed among the three. No 2nd and 3rd position will be provided.

#### Scenario 2:

If two students secured 1st position and one student secured 2nd position, in this case the average of amount year marked for 1st and 2nd position will be distributed among the two & next student is treated as the position of 3rd. So, summing up the policy we have sanctioned amount to be distributed among the candidates equally in case of more than 3 eligible candidates according to above scenario as explained.
