4505 of our families hailing from 18 States home-delivered Food / Provisions

This is an update on the current Food / Provisions **distribution under Operation Hunger**. In this connection, we would like to inform you that even in such an adverse situation, by the grace of God we were able to **supply Provisions to 4505 (Four thousand five hundred and five) Families** directly at their homes after taking necessary Governmental permissions.

This was possible because of the wholehearted co-operation of our senior Brothers who took up the responsibility of distribution in their concerned States in India. These servants of God selected 'able and faithful' young brothers locally available in different regions and appointed them to distribute these food provision packets to our needy families. If the distributions were to be done only in selected centres and the food packets distributed to anyone who came by, then the task of our young brothers would have been easy. But if this was the model adopted, many of our starving families would not have received provisions necessary for a month's sustenance. Even though these brothers have had to face untold miseries and many hurdles in reaching the houses of our people clustered in the various parts of the region, they could eventually supply the food provisions to these families to their respective homes.

Words are not enough to express our heartfelt gratitude to all our blessed brothers whom the Lord has specially appointed for this most difficult task. If they have not put their whole-hearted efforts in this service, risking their life, we could never have reached the starving thousands of our families. From this, we have learnt a very pertinent lesson - to generate funds, to procure food provisions or to get necessary governmental permissions for distributions are comparatively very much easier when compared to the actual distribution of supplies!

“Our heartfelt gratitude to all the Assemblies and our dear Brothers and Sisters who have wholeheartedly partnered in this blessed ministry and fulfilled the Lord’s desire to feed the thousands of these hapless brethren who were plunged into grave hunger in this unprecedented lock down period.”

As our first phase distribution come to a halt by today, we understand that we might have reached only about 25% of our deserving brethren whose only hope is in our Blessed Lord. None of us know how long the present lock down will continue or when our daily wages people can go out to work. Hence, we have decided to completely stand with our dear struggling families and support all of them with basic food provisions till the end of this unprecedented pandemic.

Dear Brothers & Sisters, if you would like to be a part of this blessed ministry 'Operation Hunger', you can generously contribute to the below mentioned Bank Accounts. A word to our dear brethren who very much want to be a part of this godly venture, but at the same time do not possess adequate resources to partner in this ministry. As the Lord knows the desires of your heart, your financial participation is not expected by Him at the moment . At the same time, we humbly appeal to you that we require your whole hearted participation to be prayer warriors for the success of this operation.

If you are a Indian Passport holder and your contribution is in Indian Currency and it is solely for Operation Hunger and for the Poor and Needy people in India, you can Donate using the following Payment Gateway Link:

(Your contribution will be eligible for Section 80G Exemption under the Income Tax Law).

<https://rzp.io/l/j2kZffW>

(Or you can physically click on the link given in the attached message in order to donate to Stewards Care)

The above Link Account Details are as follows:

Stewards Care

YES BANK LTD.

Frazer town

Account Number:

094694600000054

IFSC Code: YESB00000946

If you are a **Foreign / Non- Indian Passport holder** and if your donation is in **Foreign Currency**, you can send your contribution to the following Account.

Foreign Currency Account
