2000

Families
Assisted with Medical
Expenses, Education
Needs, Housing, and Covid
Expenses

24 States

Reached with Essential Aid

Updates as on 01 Jan 2021

From the desk of the General Secretary

Dearly Beloved,

Wishing you all a very blessed and fruitful New Year 2021. As we prayerfully step into this New Year, each one of us has a unique opportunity to partner with the totally rewarding and productive labour which is well pleasing to our Master. As we are called to be a blessing to the people around us, let us continue to be the salt of the earth and the light of the world and bless our fellow beings in all practical ways possible.

I wish and pray that the upcoming year will enable us to bear lasting fruits which would go on to yield rich dividends in His heavenly kingdom.

As regards Stewards Association in India (SAI) Pilot Program during these Covid 19 pandemic times, Operation Hunger has reached many thousands of people across India, delivering food, provisions, and essential supplies. Our mission is to deliver aid to desperately poor and needy people who are not sure of how to find their next meal.

More than nine months have passed since our first distribution drive and it thrills our hearts to see God's people step up in myriad ways to help others in the family of God.

People from all walks of life are giving generously to support friends and neighbors in need. The spirit and mission of Operation Hunger continue to spread. Indeed, God is doing "so much more than all we ask or imagine."

Our hearts are encouraged by the many who have joined with us to feed the hungry and provide for the basic needs of the poor.

In this update, we would also like to focus on some of our Hospitals and Medical Programs and their work in these challenging times.

Medical & Healthcare Needs

The COVID-19 pandemic has placed a heavy burden on our hospitals and other medical facilities, especially in rural areas. Doctors, Nurses, and Healthcare Workers continue to serve their local communities with selfless zeal, despite the risks associated with this illness.

Improving community health remains a key focus of our hospitals in Narsapur and Ambajipeta in Andhra Pradesh and Sankeshwar in Karnataka. We see a growing need for qualified and committed Doctors, other medical and non-medical staff as well as the latest in diagnostic and medical equipments.

Our hospitals and medical programs need urgent support during these unprecedented times to meet the rising patient load that is expected to double in the coming months.

God has established our HIV and Leprosy Hospitals as beacons of hope in the local community. They play a vital role by caring for those who are often marginalized and ostracized, sometimes by their own families.

Your involvement in supporting Medical Work in remote parts of our Country helps us bring hope and healing to those who need it most.

Every day, we are
thrilled to hear of
Individuals,
Communities and
Assemblies
reaching out to help
the needy among
them.

"When many of our Assemblies
and fellow brethren contributed to
Stewards Care which catered to a
portion of our needs, we have
experienced the abundance of
our Lord's provisions to the point
where we needed no more"

Finally brethren, it is our ardent promise to all our dear Brothers and Sisters that we will be with you, as a constant companion in your pain and need and fulfill the responsibility which the Lord has entrusted us. Whenever you feel the need of a helping hand, just remember to Mail us stating your trouble and be rest assured that we are always available, appointed by the Master to be at your service.

Also, a reminder, these are the end times and so be sure to utilize every opportunity to serve our Lord and invest in His Kingdom by gladly serving His people. Let us wholeheartedly unite together to stand in the gap and partner in this wonderful work of our Lord.

“If someone has enough money to live well and sees a brother or sister in need but shows no compassion - how can God’s love be in that person ?” (Holy Bible – 1 John 3: 17 - New Living Translation)

HOW CAN I HELP?

- For the lakhs of poor, hungry, and destitute people who struggle to receive even a single meal
- For our frontline workers who travel to remote areas braving dangerous conditions
- For godly and service-minded doctors, nurses, and other medical staff.
- For our medical and non-medical staff serving in pandemic conditions.

- We welcome you to partner with us alongside thousands of others to be a part of this mission.
- No matter what your financial resources, you have the opportunity to help a poor family with their next meal.
- Your contribution goes directly and entirely to feeding thousands of starving families across India.
- You also have the opportunity to contribute to our hospitals and medical programs across India.

- Share these urgent needs and the work of Operation Hunger with your friends and family.
- As the Lord leads you, encourage others to pray for those affected by COVID-19, and other disasters.
- Encourage your family to be involved in this blessed ministry among the poor and needy of our land.
- If you hear of people in dire need of help, contact SAI

HOW TO CONTRIBUTE

If you would like to donate to Operation Hunger, please visit our website,
You can make 'Online' or 'Offline' payments by clicking
on the link provided for Indian Currency payments through the
Razorpay payment gateway.

INDIAN PASSPORT HOLDERS

If you are an Indian Passport holder making your contribution in Indian currency (INR) solely for Operation Hunger and for the poor and needy people in India, you may donate using the following payment gateway link. Your contribution will be eligible for Section 80G Exemption under the Income Tax Law. For online payments to Stewards Care (Indian currency payments only) please click the link below:
