

# SANKALPTARU FOUNDATION

## THIS MONTH,

we launched a documentary named SankalpTaru@Maharashtra which covered the plight of farmers in the state due to extreme weather conditions, which led them to take steps like committing suicide because of their inability to pay high debts. The documentary portrays the steps taken by the SankalpTaru Foundation to help the farmers using agro-forestry practices which help in mitigating the risk of crop failures.

### IN THIS NEWSLETTER

1. E-birthday celebration
  2. Maharashtra documentary release
  3. Rural India employment campaign
  4. World Environment Day 2020 campaign launch
- and more...

DOCUMENTARY, SANKALPTARU@MAHARASHTRA, RELEASED

Let's take a pledge to help the farmers in Maharashtra overcome their fear of crop failure and save them from taking drastic steps

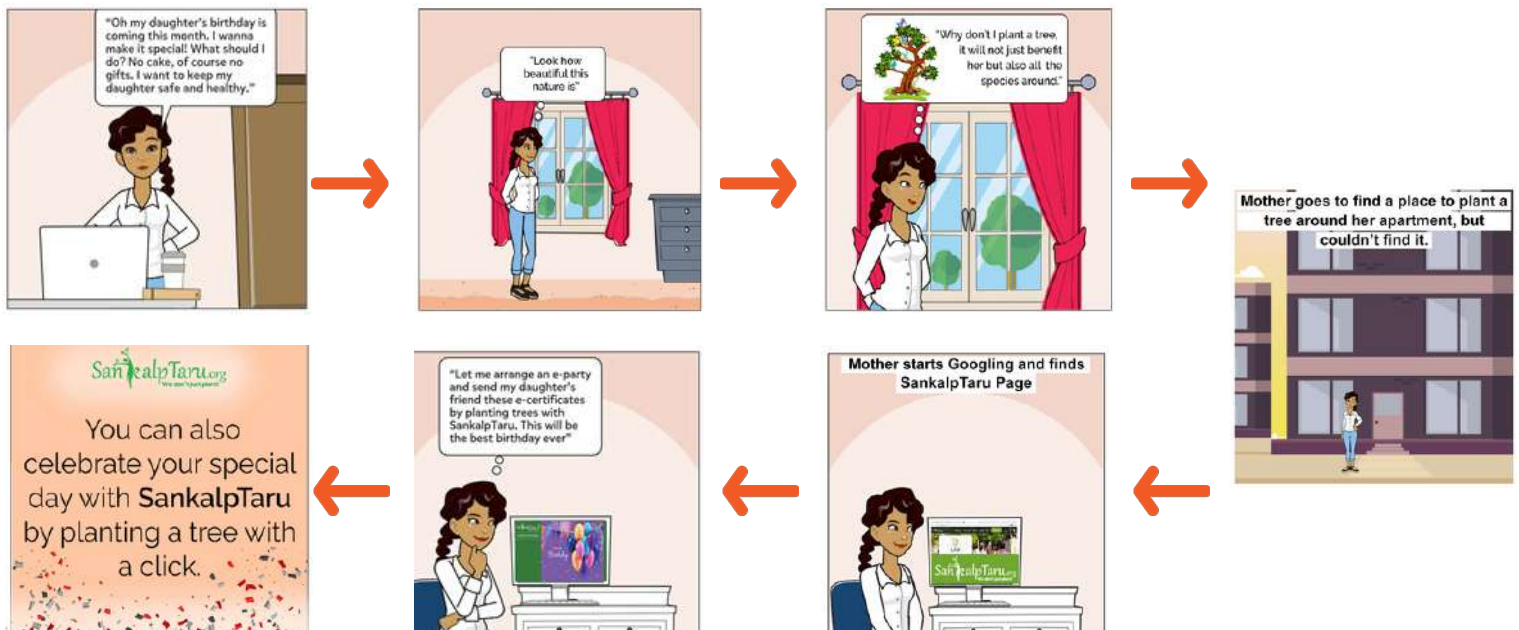

CELEBRATE YOUR BIRTHDAY ONLINE WITH TREES!

The deadly COVID-19 made sure that we follow social distancing and other precautionary measures to stop its spread. But, birthdays are meant to be celebrated with our loved ones. Our launch of an e-birthday celebration and gifting was successful.

Organize a t(r)ee party with your loved ones

## OUR RURAL INDIA EMPLOYMENT CAMPAIGN BEGINS IN UTTARAKHAND

We initiated a rural India employment campaign for 50,000+ person hours in lieu of migrants returning back to their villages. The campaign began in Uttarakhand by generating employment opportunities to people for plantation activities along with other sustainable development activities.

Check out the highlights of the campaign launch.

## PLANT A TREE FOR MOTHER EARTH AND YOUR MOTHER

In order to align and sync our work with the universal organizations, we launched a number of campaigns. The aim of the campaign was to reach out to people and spread awareness about the importance of planting trees in saving the "Biodiversity".

**World Environment Day 2020 is still in action and we request all of you to plant as many trees as possible**

Even though the COVID-19 induced lockdown was still going, our ground coordinators made sure that the trees for the campaign are planted and taken care of.

**Mother's Day 2020 calls out to plant a living gift for your Mother and the Mother Nature**

## SOME OF THE MAJOR CONTRIBUTIONS FOR ONE TREE ONE MEAL CAMPAIGN

India Development Services (IDS) and CARING FRIENDS contributed to our **One Tree One Meal** campaign and played a major role in making the campaign a huge success.

We thank them for their unconditional support!

## THE ONE TREE ONE MEAL COMPLETED SUCCESSFULLY

More than 7000 meals were sponsored to migrant workers stuck in Shegaon, Maharashtra and Barmer, Rajasthan,

We are happy on the successful completion of our **One Tree One Meal** campaign when the respective authorities arranged transportation for the migrant workers to return back to their hometowns. With your contribution, we were able to arrange food and water for them as they left for their respective places.

We thank all the donor to help us in times of needs like these.

## COMING UP: THE AMPHAN RE-GREEN CAMPAIGN WITH SANKALPTARU FOUNDATION

The super cyclone Amphan, along with destroying human lives, also destroyed a major chunk of the planet's greenery.

Plant trees of hope as a token of re-birth and help nature and farmers' celebrate and regenerate.
