Administration of DPT Vaccine to Students in School Age Group 00 – 16 Years

Dear Parents,

1. As per the orders received from state govt (Uttar Pradesh) DPT vaccination (injection) is to be administered to all those students who have not been vaccinated till date against the disease. (UNICEF sponsored vaccination). DPT vaccine is to protect the child against Diphtheria (D), Pertussis (P) and Tetanus (T).
2. Though only left out (who are not vaccinated till date) students are the target, still if it is done twice there is no harm of DPT vaccine. The Vaccine is to be administered on arm.
3. The Vaccination shall be done by the teams of Health care Professionals (Govt of UP) in school on Saturday, 04th November 2023.
4. Parents are requested to inform the class teacher on the class WhatsApp group if their child/ward has been vaccinated recently with DPT; otherwise the school will vaccinate the child as per govt orders. Parents may send the vaccination card to the class teacher or through the student to be sure about.
5. If parents have any objection on the vaccination of their ward, kindly object it through class teacher, professionals will speak to you. If your ward is already vaccinated, please inform class teacher through WhatsApp.

All those students who are not vaccinated (DPT), shall be vaccinated at school until & unless objected by the parents through class teacher or informed that vaccination has already been done.

Kindly ensure the presence of your ward in school tomorrow (04 Nov 2023) and be a part of safety circle to protect the children.

For more information please connect to Class Teacher of your ward.
